MONROE COUNTY Mutual Fire Insurance Company,

STROUDSBURG, PA.

ESTABLISHED 1844, CHARTER PERPETUAL.

The Directors of this Company, and regulations governing the business here, recently been very materially changed, placing it upon a basis equal to that of any Life Insurance Company in the State.

Important among these changes are the following: 1st. Policies, instead of being prepared, are now issued for five years. 2nd. All property is classified and the rate of premium is fixed according to the risk of the property. 3rd. Premiums are not in arrears, and all assessments are made on the spot. 4th. Property is insured for not more than three times the actual cash value, and the full amount of insurance paid in case of loss, provided the loss be equal to the amount of insurance. 5th. Annual assessments are only made upon the basis of heavy loss, and where a special assessment is necessary. 6th. The Company is therefore prepared to insure property upon terms much more desirable than under the old system. 7th. Assessments may be made in any of the Managers, Surveysors, or Secretaries.
