

The Jeffersonian.

THURSDAY, FEBRUARY 3, 1876.

SPECIE PAYMENTS.

Every now and then, since the assembling of Congress, some one member appears to that in this catagory we find so few Demoerats, and if we do find them at all it is engaged in the effort to still further post- duty pone resumption. A specie currency-the circulation of Benton Mint drops, as they were once called-is one of the time honored legends of that party, and it is really surprising that we find no prominent Democrat willing to step forward, and set that old, solitary congress prepares for resumption in 1879, good citizen, and honest man. ball in motion once more. There must cer- the more certainly will the act itself work for tainly be a change somewhere, and a great the prosperity of the country. one too, to bring about such a state of things. Democratic principles, which led to the war against the "rag barrons" in the "good old McClure, and A. Wilson Norris. for a copy times" certainly does not prove immutable of their very valuable publication "The

cline to do, Republicans in Congress dare not hesitate in the performance of their duty. The pledges of the government made in its days of tribulation, stand unredeemed as a financial status of the country to what it was before the troubles of the war began the more surely and speedily will they have performed necessity, gold was driven out of circulation Mr. M. S. Quay to be Secretary of the into market as a commodity for barter and Commonwealth of Pennsylvania. sale, under a pledge that on the restoration of peace, everything would be made to re turn to the old channel, and the paper dollar again become in fact the full representative ing parties. A heavy winter truly. of the gold dollar. Ten years have elapsed since the restoration of peace, and still gold is quoted at a premium, which in plain, unvarnished english means government promises to pay at a discount. This is not only bring shame to our law makers, and deter- will exceed \$20,000. Assets nix. mination speedily to reform the evil. No one member of the party, either in Congress or OUR new jail did not cost so much after each one should strive with all his might, county. nor rest until the end was attained.

And yet it will not do to build too fond payments will do towards the restoration of those good times, the absence of which we all mourn so truly.
