> STROUDSBURG, March 10, 1876. At a regular meeting of the Stroudsburg Cornet Band, held at their hall, on Friday resolutions were unanimously adopted:

> Resolved. That we return our warmest thanks to A. O. Greenwald and Theo. Schoch, who so kindly loaned us a helping hand, and used the influence of their journals in behalf of our enterprize, and for the flattering notices received in the

> Resolved, That Shafer Bros. also have our thanks and best wishes, for the active part they took in helping to carry out the arrangements and for placing at our disposal their house and its accommodations on the evening of our Ball.

> Resolved. That the band hold in remembrance B. F. Butts and C. A. Holmes for the valuable services rendered on the day of drawing.

Resolved. That we tender our thanks to J. S. Williams for use of his hall.

Resolved, That we extend our thanks to the young ladies who loaned their services in decorating the ball room with evergreens. Resolved, That we extend the right hand of fellowship to the entire community for purchasing tickets, and thus aiding us.

Resolved. That we owe our existence as . Band to the citizens of Stroudsburg and vicinity, and still solicit their hearty coperation and good will.

Resolved, That these resolutions be published in town papers and spread at large in the minute book of band.

A WISCONSIN TOWN RAZED.

CHICAGO, March 12 .- A terrific and

destructive tornado broke over Hazelgreen, evening, March 10, 1876, the following a small village in Southwestern Wisconsin, on Friday afternoon. The weather had been remarkably warm, the thermometer indicating 68° in the shade during the day and up to a few minutes before four o'clock, when gathering clouds gave evidence of some decided meteorological disturbance. Shortly afterward the storm broke, and, The flesh covered two acres of ground, rewith a suddeness equal only to its coming. swept across the ill-fated town, laying a great portion of it in ruins. The wind, falling flakes. which rose to the height of a tornado, struck the town on the west side and tore its way course, sweeping through the entire length tween twenty-five and thirty buildings, con. who says it is no doubt animal flesh. sisting of residences and business houses. Frame houses were wrested from their foundations and dashed against brick structures, which crumbled and toppled before the furious gale, and fell one mass of ruins. Fences were torn from their posts, the air for a time being fairly filled with boards from a great conflagation. The awe-stricken people were so completely taken by surprise by the sudden bursting of the storm and its lightning-like rapidity as it plowed had little or no time to prepare for safety in flight, and, as a consequence, large nummaimed, so that their lives are despaired Ireland in 1675." of.
