Barnet Le Van, of roads kept in good repair. I think this suppose he hadn't been worth ten dollars?

#### A Cow that Gives Butter.

### Wouldn't feel with the Law.

The other day an honest looking man peace, and wanted to know if he could he could, and he brightened up, and con-

"Well, make out a lawsuit right away.

As the justice reached for a warrant the visitor asked :

"How much will you fine him ?" "I can't tell anything about the case un-

til it is tried," was the reply.

"Then he may get off?"

"Yes."

"And I may have the costs to pay myolf?"

"Yes."

"And you won't agree to fine him ?" His honor began to read a frigid law letter on the practice of law, but the man for whom it was intended started for the door,

"I won't fool around with law. I've got three dogs and two grown-up sons, and I guess the pile can lick him blind in two minutes?"

#### Milwaukee Tobacco.

(From an Exchange,)

Four little girls in Milwaukee are emhot wells of the engine, which will averaged stables. The level part of the road has not ployed by a certain well known wealthy tobacco dealer to pick up whatever may be teen years, and the road is a great deal bet- found in saloons, on the streets and in the ter than where the dirt has been thrown gutters at one cent for very ten pieces, into it.
