

TILDEN'S RAILROAD TROUBLE.

THE MATTER BEFORE THE COURTS—ANOTHER WORDY DOCUMENT.

The question of Samuel J. Tilden's disreputable connection with the St. Louis, Alton and Terre Haute Railroad has been brought before the United States District Court of this city...

The "Belleville branch" had been built on the credit of the road, and properly belonged to it; but by sharp practice the control was secured by the New York directors...

In 1875 the stockholders vainly attempted to get from Mr. Tilden an explanation of his conduct, but despite their efforts Tilden and his associates secured their re-election by voting on the stolen bonds.

Shortly before three o'clock this afternoon Samuel J. Tilden filed his answer to the above charges. The answer comprises 496 legal folios, filling 124 octavo pages of printed matter...

The letters of Tilden and Hendricks, published on Saturday, so fully reveal the tricky politicians in the guise of "reformers," that what they say is of very little consequence.

The public debt was reduced \$1,138,033 during the month of July. Delaware this season produced nearly six million quarts of strawberries.

The Philadelphia Mint coined 1,023,650 pieces during the month of July.

It is noted as an interesting fact that the wages of sin have not been cut down.

They feel the hard times at Cape May, and the boarding-houses are making the most money.

The Cottage by the Sea at Long Branch is being put in readiness, and the President will occupy it as soon as Congress adjourns.

The Long Branch Rowing Association has chosen Mr. George W. Childs president, he being a handy man to have around in case of an accident.

Rocky Point, R. I., consumes on one of its best days from 140 to 200 bushels of clams, a ton of bluefish, 125 loaves of brown bread and 4,000 ears of corn.

They say that there will be no more hotels built on Watch Hill for several years, and that only three or perhaps four make any money this year, although it is by all odds the best patronized place along the eastern coast of the sound.

When the Long Branch bulletins say "Unparalleled influx of visitors! Extraordinary rush of people to the favorite resort! Everything full!" you may know the counter-jumper and the broker's clerk has skipped from New York on Saturday night, and that he will go back again on Monday morning.

Allentown, during June, had ten more births than deaths.
