MONROE COUNTY

Mutual Fire Insurance Company,

STROUDSBURG, PA.

ESTABLISHED 1844.

CHARTER PERPETUAL.

The By-Laws of this Company, and conditions governing insurance have, recently been very materially changed, placing it on a basis equal to that of any Fire Insurance Company in the State.

Important among these changes are the following, viz:

1. Policies, instead of being perpetual, are issued for fixed years.

2. All property is classified and the rate of premium is fixed according to the risk of the property.

3. Premium rates are taken, and all assessments are made on the actual value.

4. Property is insured for not more than two-thirds its actual cash value, and the full amount of insurance paid in case of loss, provided the loss be equal to the amount of insurance.

5. Annual assessments only are made, except in case of heavy loss, and where a special assessment is necessary.

6. The Company is therefore prepared to insure property upon terms much more desirable than under the old system.

Applications may be made to any of the Managers, Surveyors, or Secretaries.
