GEN. BUTLER'S POETRY.—The newspapers says the Louisville Journal, a whig paper, are now re-publishing some poems of more than ordinary merit, written several years ago by General Butler, the Democratic candidate for the Vice-Presidency. The following, written by him for a lady of this city just before his last departure for Mexico, has been kindly handed to us for publication. We think it uncommonly pretty:

I beg the wear this simple ring
For one who oft will think of thee,
And feel most happy should it bring
Some passing memory of me.

Not when the smile is on that brow,
Tho' then thou seem'st some spirit bright
Not when the tears of sorrow flow
To chase away that spirit's light;

Not in the crowd, that hollow cheat,
Where the grief is decked in festal flowers,
And the free heart forgets to beat,
And folly draws insipid hours;

Nor would I have thee think of me
When morning wears her robes of dew,
And wild birds wake their reveille,
And thou hast caught the morning's hue.

No! let it be the twilight hour,
When musing mem'ry loves to reign
And gather up each germ and flower
That scatter'd o'er life's travell'd plain.

No matter where my steps might stray,
Or dark or bright my fate may be,
Yet still through life's unmeasured way
Believe me a true friend to thee.

LOOSING A SEAT IN CONGRESS.

"Sir, bring me good plain dinner," said a melancholy looking individual to a waiter at one of our principal hotels.

The dinner was brought and devoured, and the eater called the landlord aside, and thus addressed him.

"You are the landlord."

"Yes."

"You do a good business here?"

"Yes!" (in astonishment.)

"You make, probably, ten dollars a day clear?"

"Yes."

"Then I am safe. I cannot pay for what I have consumed; I have been out of employment seven months: but have engaged to go to work to-morrow. I had been without food for four-and twenty hours when I entered your place. I will pay you in a week."

"I cannot pay my bills with such promises," blustered the landlord, and, "I do not keep a poor house. You should address the proper authorities. Leave me something as security.

"I have nothing."

"I will take your coat."

"If I go into the streets without that, such weather as it is, I may get my death."

"You should have thought of that before you came here."

"Are you serious? Well, I do solemnly aver that in one week from now, I will pay you."

"I will take the coat!"

The coat was left, and in a week afterward redeemed. Seven years after that, a wealthy man entered the political arena, and was presented at a caucus as an applicant for congressional nomination. The principal of the caucus held his peace; he heard the history of the applicant, who was a member of a church, and one of the most respectable of citizens. He was chairman. The vote was a tie, and he cast a negative, thereby defeating the applicant, whom he met an hour afterward, and to whom he said—

"You don't remember me?"

"No."

"I once ate a dinner at your hotel; and although I told you I was famishing, and pledged my word and honor to pay you in a week, you took my coat and saw me go out into the inclement air at the risk of my life without it."

"Well sir, what then?"

"Not much. You called yourself a Christian. To-night you were a candidate for nomination, and but for me you would have been elected to Congress."

Three years after, the Christian hotel-keeper became bankrupt, and sought a home in Bellevue. The poor dinnerless wretch that was, afterward became a high functionary in Albany.

STRIKING COMPARISON.—The N. Y. Tribune says, the following beautiful comparison was made by Rev. Henry Ward Beecher, in the course of his sermon, on Sunday morning last:

"When the chain of the surveyor strikes the oak in the forest he is followed by the woodman with his axe, who pauses ere he gives the blow. He beholds the noble tree, which has stood for a century, with its branches spreading far and wide, and yielding a grateful shade. He looks not upon it in admiration, but sighs and exclaims: "Ah! how long will it take me to cut it down?" And so in party strife, men behold in their way a nobleman of humanity, they pause not in admiration, but exclaim: "How soon can we cut him down?"

A HORSE BARNBURNER.—A correspondent of the Boston Chronotype, writing from Chambersburg, Pa, tells the following curious story of a horse recently turning "barnburner:"

A large and destructive fire originated in the town of Rocksburg, a few miles from here, a week or two ago. A man having a sick horse, took h m into a field, and placing some dried herbs in a tin pan, tied the same very securely to the horse's under jaw,and set the herbs on fire, that the poor beast might enhale the fragrant odors of the burnt offering, and so be cured of his ailings. Unfortunately not only the odors, but the flame also, ascended the horse's nostrils, which caused him to break from his owner, and in mad fury he galloped away to his stable, the door of which was open. The fire of the herbs was in an instant conveyed to the dry hay, and in one hour the barn a large and valuable hotel, and six or seven other buildings, were levelled with the ground. So much for scorching a horse's nose.

If a person fawns on you when up, he will most assuredly trample on you when down.

PHILADELPHIA
MEDICAL HOUSE,

Established 15 years ago by Dr. KINKELIN.
The oldest, surest and best hand to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is

DR. KINKELIN,
N. W. corner of 3d and Union sts., between Spruce and Pine, 1½ squares from the Exchange.

YOUNG MEN! if you value your life or your health, remember, the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under Dr. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will hug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

COUNTRY INVALIDS,

finding it inconvenient to make personal application, can, by stating their case explicitly, together with all their symptoms, (per letter post-paid,) have forwarded to them a chest containing Dr. K's medicines appropriated accordingly.

Packages of Medicines forwarded to any part of the United States at a moment's notice.

☞ POST PAID LETTERS, addressed to Dr. KINKELIN, Philadelphia, will be promptly attended to Oct. 30th, 1847.—1y

SIX YEARS AGO

THE children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

WORM LOZENGES,

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them, may not be disappointed in their hopes. He knew when he commenced the manufacture of the *Worm Lozenges*, that they would supersede the use of every other vermifuge, as the Lozenge is *very pleasant* to the taste, *speedy* in its effects, as well as *certain*, and the quantity required to effect a *perfect cure*, is very small. These properties, in connexion with the fact that they are sold for 25 cents per box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but al so rendered them popular to the community.
Dr. Sherman's
COUGH LOZENGES
continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight cold, they have only to step to either the Dr's. office, or one of the Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

SHERMAN'S
POOR MAN'S PLASTER

has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. ☞ Beware of Deception. ☜ Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street, and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold. His Agents are Mrs. Hays, 139 Fulton street, Brooklyn; Hinenson, Williamsburg; and Redding & Co., Boston, and JOHN YOUNG, Sunbury.

M'ALLISTER'S OINTMENT.

IT has power to cause all EXTERNAL SORES, SCROFULOUS humors, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them.

It is richly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption and liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians, learned in the profession, I have had ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice—saying: "M'Allister, your Ointment is GOOD."

In Scrofula, Old Sores, Erysepelas, Tetter Liver Complaint, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Broken or Sore Breast, Piles, all Chest Diseases, such as Asthma, Oppressions, Pain—Also, Sore Lips, Chapped Hands, Tumors, Children's Cutaneous Eruptions, Nervous Diseases, and of the Spine, there is no medicine now known as good.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of 15 or 20 doctors. One man told us he had spent $300 on his children without any benefit, when a few boxes of Ointment cured them.

BALDNESS.—It will restore the hair sooner than any other thing.

HEADACHE.—The salve has cured persons of the headache of 12 years' standing, and who had it regular every week, so that vomiting often took place. DEAFNESS, EAR ACHE, and AGUE IN THE FACE, are cured by this Ointment with like success.

BURNS.—It is one of the best things in the world for Burns. (Read the directions around the box)

RHEUMATISM.—It removes almost immediately the inflamation and swelling when the pain ceases. (Read the Directions around the Box.)

COLD FEET.—Consumption, Liver Complaint, Pain in the chest or side, falling off of the hair, one or the other always accompanies cold feet. (This Ointment is the true remedy.) It is a sure sign of disease to have cold feet.

TETTER.—There is nothing better for the cure of Tetter.

PILES.—Thousands are yearly cured by this Ointment.

CORNS.—Occasional use of the Ointment will always keep Corns from growing. People need never be troubled with them if they will use it.

Read the following Communication.

Received from an old, respected and well known citizen of Philadelphia. and then judge for yourself:

Philadelphia, 10 mo., 13th, 1846.

To T. B. Peterson,—Having been requested to give my opinion on the merits of M'ALLISTER'S SALVE, I am willing to enumerate some of the benefits which I have experienced in the use of the article.

In the spring of 1845, I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I began to be fearful of losing my eye.

Although not much of a believer in what is commonly called quack medicines, I purchased a box and made an application to my face. To my surprise the pain soon abated, and in a week's time it was entirely cured, and I firmly believe that it was the salve, under Providence that cured me.

From that time to the present, I have used the article as occasion required, and in every case where I have used it, I have found a decided benefit

At one time, on going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning.

I have used it in case of burns, bruises sprains, and flesh cuts, all with the happiest effects, and one case of poisoning by a wild vine in the woods, has been dried up and cured by a few applications.

From my own experience, I would strongly recommend it to all, as a cheap, convenient, family medicine.

I have become so partial to it, that I expect to keep it constantly in my family.

Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine,
WM. ADAMS,
No. 26, Old York Road.

CAUTION.—No Ointment will be genuine unless the names of James M'Allister, or James M'Allister & Co., are written with a pen on every label. JAMES M'ALLISTER,

VENI, VIDI, VICI.—Dr. ALLEN'S VEGETABLE COMPOUND, for the cure of DYSPEPSIA, LIVER COMPLAINT, NERVOUS DEBILITY, BILIOUS AFFECTIONS, &c. This Medicine is offered to the public under the assurance that there is no article in existence having stronger claims to their consideration. Being compounded by a regular Graduate of Jefferson College, Philadelphia, and a practising physician of twenty years' standing in Philadelphia, his long experience has confirmed him in the opinion that a compound medicine was required to prevent and remedy the debilitation produced by residing in low, miasmatic climates, and to counteract the protrating influences of many nervous disorders with which the human family are afflicted.

DR. ALLEN is a well known physician, and has used the above medicine in his practice for 8 years with the most astonishing effect, having tested its qualities in above

FIVE THOUSAND CASES.

No medicine ever received more flattering recommendations from physicians of eminent standing than has been bestowed on this.

DYSPEPSIA OR INDIGESTION AND ITS CONSEQUENCES.—An eminent Professor says:—"It chiefly arises in persons who lead either a very sedentary or irregular life. Although not regarded as a fatal disease; yet if neglected or improperly treated, may bring on incurable Melancholy, Jaundice, Madness, or Vertigo, Palsy and Apoplexy. A great singularity attendant on it is, that it may and often does continue a great length of time without any remission of the symptoms."

CAUSES.—Grief and uneasiness of mind, intense study, profuse evacuations, excess in venery, excessive use of spirituous liquors, tea, tobacco, opium, and other narcotics, immoderate repletion, over distention of the stomach, a deficiency of the secretion of the bile or gastric juice, exposure to cold and damp air, are the chief causes of this disease.

SYMPTOMS.—Loss of appetite, nausea, heartburn, acidity, and fœtid eructations, gnawing of the stomach when empty, uneasiness in the throat, pain in the side, costiveness, chilliness, languor, lowness of spirits, palpitations, and disturbed sleep."

TREATMENT.—*DR. ALLEN'S VEGETABLE COMPOUND* has never failed in affording immediate relief, and a radical cure for this disease.

☞ This Medicine can be had of H. B Master, Sunbury; J. C. Martin, Pottsville, Medlar & Bickel, Orwigsburg; and of Druggists generally.

AND A VARIETY OF OTHER DISEASES ARISING FROM IMPURITIES OF THE BLOOD, AND OBSTRUCTIONS IN THE ORGANS OF DIGESTION.

Experience has proved that nearly every Disease originates from Impurities of the Blood or derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the Blood to its natural state.

The aversion to taking medicine is most effectually removed by CLICKENER'S VEGETABLE PURGATIVE PILLS, *being completely enveloped with a coating of pure white Sugar*, (which is as distinct from the internal ingredients as a nut shell from the kernel) AND HAVE NO TASTE OF MEDICINE.

But are as easily swallowed as bits of candy. Moreover they *neither nauseate or gripe* in the slightest degree, but operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of an Excess of Bile restore it to its natural state. Another will operate on the Blood, and remove all impurities in its circulation; while a third will effectually expel whatever impurities may have been discharged into the stomach, and hence they STRIKE AT THE ROOT OF DISEASE, remove all Impure Humors from the body; open the pores externally and internally; separate all foreign and obnoxious particles from the chyle, so that the blood may be thoroughly pure—thus securing a free and healthy action to the Heart, Lungs and Liver; and thereby they RESTORE HEALTH EVEN WHEN ALL OTHER MEANS HAVE FAILED.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Retail Price, 25 cts. per Box.

SILENCE

THAT
DREADFUL
COUGH! THE
LUNGS ARE IN DANGER, THE WORK OF THE
DESTROYER HAS BEEN BEGUN,
THE COUGH OF CONSUMPTION HATH
IN IT A SOUND OF DEATH.

ARE YOU A MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss and hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S
ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. H. Attree, Esq. was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. LUCRETIA WELLS, 95 Christie street, suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

DR. LE ROY'S
Vegetable Universal Pills,
The only known Medicine that at the same time purges purifies and strengthens the system.
London, July 7, 1846.

DR LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations. ☞ Price 25 cents per BOX.

Sunbury, April 22, 1848—

DR. SWEETSER'S PANACEA.

THIS Medicine is warranted, on oath, not to contain a particle of Calomel, Corrosive Sublimate, Arsenic, Chloride of Gold, or any deleterous minerals.

The principle upon which this Medicine acts, is by assisting and harmonising with nature; it drives out all foul scrimonious humors from the blood and body, and by assimilating with and strengthening the gastric juice of the stomach, it assists digestion; in short there is not a vein, artery, muscle or nerve in the human body, that is not strengthened by the PANACEA, and it also possesses the remarkable property of removing mercury from the bones and joints.

FOR ERUPTIONS OF THE SKIN,

Scurvy, Scorbutic Affections, Tumors, Scrofula or Kings' Evil, White Swellings, Erysipelas, Ulcers, Cancers, Running Sores, Scabs and Biles, time and a determined perseverance in D. SWEETSER'S PANACEA, will effect a cure.

FOR INDIGESTION,

Rejection of food, Nausea, Vomitings, Nervous affections, Bilious complaints, Head ache, Paleness, or Female Irregularities, Dr. SWEETSER'S PANACEA will soon effect a cure; but if obstinate, or attended with griping, flying pains, the dose should be increased, and the cure will soon be effected. Let not the patients frighten themselves with the idea that they are too weak to take much medicine; but bear in mind that this mildly operating medicine put not weakness into the frame, but most certainly draws weakness out, leaves strength in its place, and by giving composed sleep at night, and an appetite to relish any food, re-animates the whole frame with vigorous action, clearing the mind and improving the sight.

SCROFULA AND GLANDULAR AFFECTIONS.

Scrofula is said to be heriditary, the infant receiving from its parents the seeds of this disease, which increases with its years, if neglected and not submitted to frequent purification with Dr. SWEETSER'S PANACEA. The glands are placed in the corners of the body, and out of the way of direct communication; their real use is a subject on which much difference of opinion prevails; it suffices us to know that when in a diseased state, they are capable of being purified and cleansed by a long course of Dr. SWEETSER'S PANACEA, which restores them to sound and proper action. Scrofulous persons can never pay too much attention to their blood, its purification should be their first thought, for after a long course of perseverance, they will ever cure hereditry disease.

In cases of *JAUNDICE, ASTHMA, LIVER COMPLAINTS, TIC DOLOREUX, RHEUMATISM OR RHEUMATIC GOUT*, Dr. SWEETSER'S PANACEA cannot be too highly extolled; it searches out the very root of the disease, and by removing it from the Blood makes a cure certain and permanent.

For diseases of the *Bladder and Kidneys, Stricture, Gravel, Stone, Piles, Fistula, Urinary Obstructions and Extreme Costiveness* Dr. SWEETSER'S PANCEA is the best remedy ever tried; it removes all those scrimonious humors from the Blood which give rise to the above diseases, and by keeping the blood in a pure condition, insures health.

For DROPSY, FALLING OF THE BOWELS, *Impurities of the Blood, Mercurial Taint, Weakness of the Spine, Flow of Blood to the Head, Giddiness, Singing and Buzzing Noises in the Head and Ears*, Dr. SWEETSER'S PANACEA will give certain relief; in all severe and chronic cases, the patients cannot be too often reminded that *larger doses* and *perseverance* will effect a cure.

In *Chills and Fevers, Bilious Fevers, Affections of the Eyes and Ears, Spongy and Bleeding Gums Bronchitis and recent Coughs and Colds*, Dr. SWEETSER'S PANACEA will be found perfectly sure and certain in its effects.

GRAVEL AND URINARY COMPLAINTS.

These complaints are generally attended with the most fatal consequences, and are seldom or never cured by the present mode of treatment; they usually accompany the patient to the grave, after suffering the most excruciating pain and torture. The cause of these complaints are the same as all others, the dross of the blood becomes encrusted on the finest narrow passages, whence arise morbid secretions and stoppages of urine. You will find the most powerful diuretics of no use, as they only increase the quantity of urine and do not purify and strengthen the parts. By purifying the blood with Dr. SWEETSER'S PANACEA, you remove the cause of the disease, consequently it cannot exist any longer, after sufficient perseverance in its use has deprived the blood and body of all acrimonious humors and incrustation.

DISEASES OF THE LUNGS—CONSUMPTION.

This is a very prevalent and fatal disease; it results mostly from neglected coughs, colds and bronchitis, also from improper treatment in many other cases, such as measles, fevers, inflammations and small pox, and a host of other badly treated diseases; where the cause, instead of having been thoroughly removed from the blood and body, have only been palliated or removed from one part to break out in another.
