MEYER'S

FIRST PREMIUM PIANO FOR 1848.

For the sale of FREDERIC MEYER'S CELE-
BRATED PIANOS. Rose Wood Pianos.

These Pianos have a plain mas-
tive and beautiful exterior finish, and for de-
sign, tone, and elegance of workmanship, are not
surpassed by any in the United States.

These instruments are highly approved of by
the most eminent Professors, and composers
in this and other cities.

For qualities of tone, touch and keeping in
time upon Concert pitch, they cannot be par-
ticipated by either American or European Pianos.

Suffice it to say that Madame Castellan, W. V.
Walker, V. P. Timpson, and his sister, the cele-
brated Pianist, and many others of the most dis-
tinguished performers, have given these instru-
ments their preference over all others.

They have also received the first notice of the

three last Exhibitions, and the last Silver Medal

by the Franklin Institute in 1843, was awarded

to them, which, with other premiums from the
same source, may be seen at the Ware-room, No.
52 south Fourth st.

Another Silver Medal was awarded to C.
Meyer, by the Franklin Institute, Oct. 1845 for
their exhibition.

Again, at the exhibition of the Franklin Insti-

tute Oct. 1846, the first premium and medal

were awarded to C. Meyer for his Pianos although it

had been awarded at the exhibition of the year
before, on the ground that he had made still great
improvement in his Instruments within the
last 12 months.

Again, at the last exhibition of the Franklin

Institute, 1847, another Premium and medal

was awarded to C. Meyer for the Pianos in the exhibition.

At Boston, the first Silver Medal and

C. Meyer's best Solo Piano in the exhibition

These Pianos were sold at the manufac-

turing establishment of Philadelphia, &c., if not

otherwise.
