To the Friends of Humanity. This is to certify, that since Mr. Rockefeller has

held the offices of Register & Recorder he has kindly and freely supported myself and seven children, (the oldest being merely able to maintain himself,) and that he pledges himself in his notices in the papers, that if the voters of the county will elect him to these offices at the next general election, he will give the one half of the nett proceeds of said offices to the support of myself and little children, for two years from December next, in which pledge I most cheerfully and willingly confide. He has offered to give me security thereof, but I do not ask it of him, his word

I, therefore, humbly and most respectfully, ask all the friends of my late husband, Martin Irwin, and the voters of Northumberland county, generally, to support Mr. Rockefeller; for should he be elected I would be able, with the aid of my relatives, to discharge the debt upon the house built by my husband, and secure a home for myself and abilities.

I am in a feeble state of health myself and have no means of support whatever for my family, nor have I had any since June last, except what I have received from Mr. Rockefeller; and that he has freely and plentifully given. May God reward him for his kindness. I, therefore, most earnestly hope, and believe that the friends of the widow and the fatherless will support Mr. Rockefeller for these offices.

Sunbury, July 7, 1849, -

If thousands of Ours of Scrofula, Cancers, Syphilis, an other impure diseases of the Blood—and it the very SMAL QUANTITY which was used of a Medicine to effect Our of such Diseases, be any proof of the purifying medical poer in the Medicine which has subdued and conquered su Diseases—then there is unquestionable evidence that— BRANT'S INDIAN

to such a Medicine, in every respect; and there is aligndant proof, in greez cares effected, that ONE BOTTLE of
it contains more purifying, heating virtue and medical
power, than there is contained in Pour Bottles of any sersuperilla, or any other medicine that has ever been offered
for sain. There is unadoubted proof in our pamphiels,
that by the use of this great Indian Parifor, they that
were Dyino yet Live—they that were Larks and Crieplen can now Walk—they that were Larks, Scholecous,
and otherwise diseased, bave been ilkalend and Cuard.

Hundreds—Thousands—

who have used REANT'S PURIFIER, after having used and tested ALL the surrequiriles and other medicines recum-mended to cure blood diseases, have decided thus—

Brant's is the Cheapest, Brant's is the Cheapest,
because Ove Bottle of it has more medical, curative maiter in it and, in consequence, curse more disease in much
less time, than one bottle of any other medicine.

If then, ONE Bottle of RIANT's PURIFIER will cure
FOUR TIMES more disease than one bottle of straparilla "BRANT'S PURIFIER" would be as cheap at four dollars a bottle, as survaparilla at one dollar. But BRANT'S
PURIFIER is said for only ONE DOLLAR a bottle; and
as a bottle of it has cured, and is capable of curing. Four
Times as much disease as cate bottle of straparilla, therefore, survaparilla, in consequence of its less, power and
less medical effects, should be sold at no more than
Treenty-Fire Cents per bottle, to be as cheap as the PuniFire at One Dollar's Worth!

One Dollar's Worth! How much CANCES—how much Syrittlis—how much SCHOPULA—will One Dallar's worth of Brant's PURIFIER care | liead the following statement, which is a speci-men of its power.

CANCEROUS SCROFULA! CANCEROUS SCROFULA!

This is the case of a Injung man who yet lives. He was cured of a worse case of Scrofula, by only Treeter Bonder of Urant's Purifier, than ever was cured by the use of Twelet Gallons of the best surseparille that was ever made. Surseparilla has not sufficient medical power to effect the cure of such a recollingly hopeless case.

Mr. J. B. Harris, or Rome, Oncide Co., N. Y., had Scrofula four years—was contined to his bed the last year—he was so much diseased and debilitated as to be unable to raise his hand to his head. He had the best medical advice—had used elf-of the best surseparillas to no good effect—got worse and worse, and was considered to be in a Duing State, and could not live userty-four hours longer, when he commenced using BRANT'S PURIFIER. His work was seat a nearly off, from ear to ear—a hole was caten through his windpipe, under his chin, so that he breathed through the hole—his ear was so enten around that it could be lifted up out of its place, it only holding by a small place—the use of one arm was destroyed by two Urcers—an Ulear under the arm, as large as a man Annal, had nearly eater through his sited into his besty. Thus, he was sufficed with Theosty such patrid, acrid, offensive Urcers, on various parts of his person. For further and full particulars, see our Panaphlete.

Doct. Thomas WillLists, one of the most skilfal physicians of Rome, was called to see Haskin the day before he counterned using Breafs Purifer. Doct. W. exam-

drians of Rome, was called to see Haskin the day before be commenced using Breat's Perifer. Doct. W. exam-med him, and then told him that all the medicines in the world could not care him—that his case was Worse than Hopeless! Worse than Hopeless!

Now hear Mr. HASKIN'S statement of cure. He said:
Mr. wite precured one boatle of ERANT'S PURIFYING
ENTRACT of Ricell & Leonard Druggists, of Rome
I continenced using that, and began to get better—that
north, enabled me to get of my bed, whe'e I had been
confined one year—the second bottle enabled me to get
out of the house—the ruind bottle enabled me to get
Two Miles in Rome Centre, where I procured Sit Battles
more: and when I had finished using them. Screeness out
of Theraty Uleres than itealed to Up-and three bottles more
effected a PERFECT CURE of all the Ulers, and restored me to good health.

FOURTEEN WITNESSES! Mr. HASKIN has swearn to the above facts, and the facts are winessed and certified to by DOCT, T. WIL-HAMS—Mr. G. R. BROWN, proprietor of the West Roma-Haws!—Mesers. BISSELL & LEONARD, Wholesale and retail Druggiets—and ELEVEN other respectable witnesses. We Challenge the World

To PROVE a Cure of as revolting and atterly hopeless a case of Serofula, by the use of TEN TIMES as much an apparitie, or any other medicine, as was used of Brant's Purifier to effect the above cure—which cure shall be proved by as many well-known, respectable witnesses, as in the above cure.
