ROSE OINTMENT, FOR TETTER

READ the following explicate from Capt Devoe, the well known and popular Sham Boat Captain (of the Traveller.)

PHILADELETIA, October 31, 1846.

Several years since I was attacked with a breaking out on my neck in the torn of Tetter, which I un convinced was contracted at the Borber's Shop. It grandually extended over my face until it reached the upper part of the classes. During the several mentlis that it continued spreading, I used different applications, some of which had the closes, apprently at least, of mercesting the discusse, but from none of them did I perceive the least benefit until I applied the Rose Onyment. By the use of one jar of it, I was perfectly cured and have remained free of the affection.

Thave since used the Ourtment, lightly applied for rough-ness of the face, blotches, chapped hands, &c. With per-set success. I have no hesitation in recommending it in the strongest matter to the public.
