NEW SERIES VOL. 2, N 52

SUNBURY, NORTHUMBERLAND COUNTY, PA., SATURDAY, MARCH 23, 1850.

OLD SERIES VOL. 10, NO. 26.

TERMS OF THE AMERICAN. The AMERICAN is published every Saturday...

SELECT POETRY.

Selected for the American.

THE STORMS AND STARS OF MARCH.

BY THE REV. JAMES GILBORSE LYONS, D. D.

Harsh is the voice, and lend the war Of storms to that ungodly time...

followed his words, and his men rushed forward, eager for the ensuing combat. At the first volley, more than one hundred of these red skins...

the broad expanse of the river lay around us in all its majesty; and to those who have never beheld the Hudson or the Mississippi...

and I can take much better care of her than you can? "Perhaps so, sir," she replied, with the gentle manner that had come over her since the accident...

CURING HAMS FOR PRIVATE USE. A correspondent of the Bradford Reporter furnishes the following recipe for curing hams...

mer himself, but the entire community, county, or district, in which he lives, derive advantage. Besides, sir, farmers are social people...

H. B. MESSER, ATTORNEY AT LAW, SUNBURY, PA. Business attended to in the Counties of Northumberland, Union, Lycoming and Clinton...

But God with all a Father's love, Reveals in blazing pomp above The wonders of His radiant skies...

The mockery about this powerful resistance and bravery, which the appearance of the little band so openly demonstrated towards the enemy...

Suddenly, Lion, followed closely by his master, came bearing along the deck, knocking the people to the right and left like nine-pins...

"What could all this mean? He looked after the cat till it was out of sight. "I think she has got rid of her nerves," he observed to himself...

Improve in Cultivation. Russell Comstock, of Dutchess county, N. Y., claims to have discovered a system of cultivating fruit trees and farm crops generally...

The gentleman from South Carolina [Mr. Woodward] objects, that it is a mere compilation, and contains extracts from agricultural journals—that he wants a learned and scientific report...

CHARLES W. BEGINS, ATTORNEY AT LAW, POTTSVILLE, Pa. Will promptly attend to collections and all business entrusted to his care.

Thus, ever thus, when storms arise, And all is dark and joyless here, He sees before our longing eyes The glories of that lofty sphere...

What persevering heroism! Had these men been Americans, they would up to this day have been remembered by the nation as the "Immortal Wyoming Boys"...

"There, sir," replied a sailor promptly: "there beside that piece of plank." "How often has she risen?" "Twice."

THE ELECTRIC LIGHT—PAIN'S DISCOVERY. Mr. Paine, whose discovery of producing light from water, excited so much interest a few months ago...

NEWLY CARRIED A SWORD IN YOUR TONGUE TO INjure the reputation of any man. THIRTY-FIRST CONGRESS—1st Session. HOUSE OF REPRESENTATIVES. WASHINGTON, March 12, 1850.

But if we adopt one wholesome measure, it certainly affords no satisfactory reason why we should abandon another. If the Post Office department cannot sustain itself, and bear this additional burden...

GEORGE J. WEAVER, EDWIN H. FITZ, GEORGE J. WEAVER & CO. MANUFACTURERS & SHIP CHANDLERS. No. 19 N. Water St., and 11 N. Wharves, PHILADELPHIA.

A Select Tale. THE GERMAN THERMOPYLAE. SKETCH OF THE AMERICAN REVOLUTION. TRANSLATED FROM THE GERMAN FOR THE PITTSBURGH POST, BY C. F. SANDERS.

One day last summer I took my place in a Gravesend steamer, and found considerable amusement in watching the various characters. Two persons in particular attracted my notice...

He has her," he exclaimed, as Lion rose to the surface, after a long dive, holding the little Adeline by the hair of her head in such a manner that her face was out of water.

Believing in the doctrine of imponderability and immateriality of the electric fluid, all efforts to accomplish the desired result failed and the experiment was about to be abandoned...

Resolved, that thirty thousand copies of the mechanical portion, and that seventy thousand copies of the agricultural portion, of the Patent-Office Report be printed.

I am, aware sir, that these reports have, perhaps, no sin as perfect as they might, and would have been, if the interests which they seek to promote, had been properly cared for by Congress...

PERRY & COOPER, COMMISSION MERCHANTS. For the sale of Fish and Provisions. No. 9 NORTH WHARVES, PHILADELPHIA.

Hollaeh, a justice of the peace. He was his friend of Washington, who by his associate his distinguished qualities, as well as his rare intelligence...

He has her, and she is now," he exclaimed, as Lion rose to the surface, after a long dive, holding the little Adeline by the hair of her head in such a manner that her face was out of water.

Although the practical experiments were abandoned, the mental action on the subject was not, and during some time in the fall of 1848, I concluded, that the law which demanded an aqueous communication between the poles...

Resolved, that thirty thousand copies of the mechanical portion, and that seventy thousand copies of the agricultural portion, of the Patent-Office Report be printed.

Another objection urged is, that it cannot be distributed to all, and therefore concludes that none ought to have it. Why, asks the gentleman from North Carolina, [Mr. Venables] should one man have the report in preference to another?

I voted for it—I did not object to it; yet I wish to treat all alike, and all not only fairly, but liberally; for none will go further than for the interests of the farmer.

ALEXANDER G. CATTELL, SENIOR TO JAMES M. BOLTON, DECORATED, SENIOR & FORWARDING MERCHANT. No. 13 North Wharves, PHILADELPHIA.

They recognised the red horde of Brant, recognised the red horde of Brant, recognised the red horde of Brant, and he burst into a loud and long laugh.

"He has her, and she is now," he exclaimed, as Lion rose to the surface, after a long dive, holding the little Adeline by the hair of her head in such a manner that her face was out of water.

Resolved, that thirty thousand copies of the mechanical portion, and that seventy thousand copies of the agricultural portion, of the Patent-Office Report be printed.

Another objection urged is, that it cannot be distributed to all, and therefore concludes that none ought to have it. Why, asks the gentleman from North Carolina, [Mr. Venables] should one man have the report in preference to another?

I voted for it—I did not object to it; yet I wish to treat all alike, and all not only fairly, but liberally; for none will go further than for the interests of the farmer.

I will go with gentlemen from the creation of an Agricultural Bureau, to take charge of this great interest, and believe it to be demanded at our hands, by every principle of justice and fairness...

DANIEL & SMITH'S, BOOK STORE. No. 36 N. Sixth St. No. 100 N. Market St. PHILADELPHIA.

At length (the trumpet, and headed by the lion) they began to return homeward, great haste, marching day and night, they arrived at their settlement...
