BOUNTY LAND RILL.

The following is a correct copy of this bill, as it passed the House of Representatives on Tuesday evening:

Be it enacted, Se., That each of the surviving commissioned and non-commissioned officers, musicians, and privates, whether of regular, volunteers, rangers or militia who to which horses are liable; it has been very performed military service in any regiment, company, or detachment in the service of the United States, in the war with Great Britains declared by the United States on the 18th of June, 1812, or in any of the Indian wars, since 1790, and each of the commissioned officers who were engaged in the military service of the United States in the late war with Mexico, shall be entitled for twelve months' service, to one hundred and sixty acres of land; for six months' service to eighty acres of land, and for three months' service, to forty acres of land; provided the person so having been in the service, shall not receive said land, or any part thereof, if it shall appear by the muster rolls of his regiment or corps, that he deserted, or was dishonorably discharged from service, or if he Northumberland, Pa., and Miss Harrier E. daughter of the late James Van Auken, Esq., has received or is entitled to any land bounty, under any act of Congress heretofore passed.

Sec. 2. That each commissioned and non-commissioned officer, musician or private, for whom provision is made by the first section hereof, shall receive a certificate or warrant from the Department of the Interior to Miss Matilda E. McEnally, of Boggs for the quantity of land to which he may be entitled, and which may be located by the warrantee or his assignees or heirs at law, at any land office in the United States, in one body, and in conformity to the legal sub-divisions of the public lands, upon any of the TER, consort of the Rev. John P. Heister, in public lands in such district then subject to private entry : and upon the return of each certificate or warrant, with evidence of the location thereof, having been legally made, to the General Land Office, a patent shall be issued therefor.

That in the event of the death of any commissioned or non-commissioned officer, musician or private, prior or subsequent to this act, and who shall not have received the said certificate or warrant, it shall be in favor, and shall inure to the benefit of his widow: Provided, she was married to such officer or soldier before the conclusion of his service, and is unmarried at the time of her application. Provided further, That no land warrant issued under the provisions of this act shall be laid upon any lands of the United States to which there shall be a pre-emption right, or upon which there shall be an actual settlement and cultivation, except with the consent of such settler, to be satisfactorily proved to the proper land officers.

Sec 3. That all sales, mortgages, letters of attorney or other instrument of writing, going to affect the title or claim to any warrant or certificate hereinbefore provided for, made or executed prior to the issue of such warrant or certificate, shall be null and void, to all intents and purposes whatsoever, nor shall such certificate or warrant of the land obtained thereby, be in any wise affected, or charged with or subject to the payment of any debt or claim incurred by such officer or soldier prior to the issuing of the patent .-Provided. That the benefits of this act shall not accrue to any person who is a member of the present Congress

THE STATE SENATE.

The following districts elect Senators the ensuing fall under the new Apportionment

Philadelphia County, Bradford, Susquehanna and Wyoming, 1 Luzerne, Columbia and Montour. Cumberland and Perry, Venango, Mercor and Warren, Armstrong, Indiana and Clarion, Philadelphia City, Adams and Franklin. Blair, Cambria and Huntingdon, Alleghany, Butler, Beaver and Lawrences,

The number of Senators holding over is 22 -of whom 11 are Democrats and 11 Whigs. Of the districts electing this fall, the first six above named will undoubtedly be L. F. Democratic the other five Whigs-thus securing the Senate next winter to the L. F. Democrats by a majority of one:

DEPUTY MARSHALS .- We understand that Mr. Irvin, the Marshal for the Western District of Pennsylvania, has appointed most of the Deputies. Thomas S. Mackey, of Milton has been appointed for Northumberland county; Charles Cook, editor of the Dawille Democrat, for Montour county; Israel Gutelius, of New Berlin, for Union county; John Knox, of Jersey Shore; for the upper end of Lycoming county.

MANUFACTURES FROM THE COCOANUT .-The fibre of the cocoanut, coarsely spun by the hand, has been in use for a long time for the manufacture of matting of various kinds. Latterly machinery has been employed in the preparation of the fibre, which is now obtained of three descriptions. A light elastic fibre suitable for stuffing furniture; a coarser fibre used for making mats, and a strong fibre used for brushes and brooms: The kernel of the nut dried in | 17 Rearich's ex vs Rea- 44 Helfrich vs Obermyer the sun and subjected to powerful pressure, furnishes an oil which is sent to England in large quantities, where it is used for the manufacture of candles and soap. It is proposed to employ the juice of the cocoanot palm for the making of sugar. It is estimated that each tree will produce upwards of one hundred weight per annum, and that an acre planted with cocoanut trees will produce twice as much sugar as an acre of sugar cane. - Exchange paper.

INCENDIARY ACT .- An ottempt was made on Sunday night to burn the Railroad bridge, five miles west of Lewistown. The fire was kindled in one of the abutments, but was fortunately discovered in time to prevent serious injury to the bridge.— There will be no interruption to the travel on the road, as the damage will be imme diately repaired.

BARNUM, it is said, having been encouraged by his success in procuring Jenny Lind's appearance in this country, is now making great efforts to bring Queen Victoria and the babies next year.

Gargling Oil, and the unparallelled success it has met with in the hands of those who have the care of horses, it is but justice to say: that of the great number of medicines which have been offered, none have been so well the public support in England and elsewhere, by adapted to the prompt cure of some diseases to which horses are liable; it has been very justly called a complete Panacea for the ing matters or not, to participate in the chance of

BLACK SPOTS ON THE SKIN.

During the summer season we frequently meet with persons who are solely min yed with black spots, about the size of a pin's head, just under the liming of the surface—these spats are truly annoying and regulative in appearance; they are nothing more or less than dost, the skin being warm end the individual perspiring frestly, the dost elogging up the docts of the schaceous glorals, their oily secretions me not given off, and emsempently a classey deposit is the results; thus becomes ranch and turns black, disfigures the complexion, and often inflames and suparrates. Let Rudway's Soap be free y used, absorption will take place, and the spots speedify disappear. Also, if Radway's Soap was made use of as a Toilet Soap through the day, these spots, and other annoying excressiones, would not to able you. GEORGE J. HENKELS. If thousands of Chees of Serofule, Cancers, other impure discuss of the Bloom. And if the vQUANTITY which were used of a Madicine to of such Discusses, he may proof of the purifying or in the Medicine which has substitud and confidence to the Medicine which has substitud and confidence. BRANT'S INDIAN

PURIFYING EXTRACT is such a Medicine, in every respect; and there is along dant proof, in error effected, that ONE BOTTLE of it contains more purifying, bosting virtue, and medical puter, than there is contained in Four Buttle of any separalla, or any other medicine that has ever been offered for sale. There is undoubted proof in our pumphlate that by the use of this great Indian Purifier, they that were Driving yet, lare, they that were Driving yet, lare, they that were Driving yet, lare, they that were Britan paw Walk—they that were Sick, Schopulous, and otherwise diseased, have been Haller had Culting.

Hundreds-Thousands who have used Egant's Puntrum after having used and tested ALL the sorseparilles and other medicines recom-mended to cure blood diseases, have decided that

Brant's is the Cheapest, because One Battle of it has more medical, curative maiter in it, and, in consequently, cures more allegace in much
ten in it, and, in consequently, cures more allegace in much
ten time, than one bottle of any other medicine.

It, then, ONE Buttle of Brant's Pusitives will care
FOUR TIMES more disease than one bottle of servage
ella - Brant's Punitinal would be as cheen at four day
lors a bottle, as strengardia at one foller. But HANT's
PURIFIER is sold for only ONE DOLLAR a bottle; and
as a bottle of it has cured, and is repeable of curing. Four
Times as much disease as one bottle of servage rills, there
here, sursuparilla, in consequence of its less power and
tiess medical efficacy, should be sold at ne sore than
Themis Five Cante per bottle, to be as cheap as the PuniFine at One Dollar.

One Dollar's Worth!

How much Cances—how much Syperite bow much Schoruta—will One Poller's worth of Brant's PURIFIER care! Read the following statement, which is a spec-CANCEROUS SCROFULA!

CANCEROUS SCROFULA!

This is the case of a Dying man who ful lines. He was cared of a worse case of Scrofula, by only Twelve Bottles of Renatz Pariller, than ever was cared by the use of Twelve Gallons of the best surrespariled that was ever made. Surseparilla has not sufficient received popular to effect the care of such a recollingly applies case.

Mr. J. B. Hamkers, of Rushe, Oncida Co. N. Y., had Scroy, side four years—was contined to his bed the last year—he was so much diseased and debilitated as to be unable to raise his hand to his head. He had the best medical advice—had used all of the best surresparillar to no good effect—glu cores and worse, and was considered to be in a Dying State, and could not live neenty four hours longer, when he commenced using BRANT's PURIFIER. His tack was eaten acarly off, from car to ser—a hole was eaten through his windpipe, under his chin, so that he breasthed through the hole—his rar was so eaten around that it could be lifted up out of its place, it only holding by a small piece—the use of one arm was desired. Thus, he was afflicted with Twenty such patrid, acrid, offensies Ut cers, on various parts of his person. For further and full particulars, see our Pamphilies.

Hoot, Thiomas Williams, one of the most shifted physicians of Rome, was called to see Haskin the side before ne commenced using Brant's Purifer. Doct. W. examined him, and then told him that all the medicines in the sorie could not care him—that his case was

Worse than Hopeless! WOTSE than Hopeless!

Now hear Mr. HASKIN'S statement of care. He said: My wife procured one bottle of BRANT'S PURIFYING EXTRACT of Hissell & Leonard Druggists, of Rome I commenced using that and began to get better—that northly enabled me to get off my bed, where I had been confined one year—the excount bottle enabled me to get of the house—the thirm bottle enabled me to get out of the house—the thirm bottle enabled me to Walt Two Milles to Ruine Centre, where I procured Siz Bailles more and when I had finished using them. Secretees out of Twenty Ulcers had hireals Ut — and three builtes more effected. A PERFECT GURE of all the Ulcers, and restored me to good health.

FOURTEEN WITNESSES! Mr. HASKIN has sworn to the shove facts, and the facts are witnessed and certified to by DOCT, T. WIL-LIAMS—Mr. G. R. BROWN, proprietor of the War.Rome, Hard-Mestra, BISSELI, & I-EONARD, Wholessie and retait Druggists—and ELEVEN other respectable witnesses.

We Challenge the World To PROVE a Cure of as resolting and atterly Appeleas a case of Serofain, by the use of TEN TIMES as much surseparalla, or any other medicine, as was used of Brant's Pariser to effect the above cure—which cure shall be proved by as many well-known, respectable crimeses, as is the above cure.
