FROM PROFESSOR HITCHCOCK. "James C. Ayer-Sir : I have used your "Cara-Bronchitis, and am satisfied from its chemical constitution that it is an admirable compound for the relief of laryngial and bronchial difficulties. If my opinion as to its superior character can be of any service you are at liberty to use it as you think proper.

EDWARD HITCHCOCK, L.L.D., President of Amherst College. From the "London Lancet."

"AYER'S CHERRY PECTORAL is one of the most valuable preparations that has fallen un-der our notice. After a careful examination, we do not hesitate to say we have a large appreciation of its merips and the fullest confidence in its usefulness for coughs and lung complaints."

Dr. Brewster, of Windham Co., Conn., sends

us the following testimony.— Dr. J. C. Ayer—Dear Sir:—I enclose you a certificate from Mrs. Catharine K. Cady, a highly respectable lady of this village, wife of Mr. Seth Cady, Deputy Sheriff, Windham Co., Connecti-cut. The evre in her case was very prompt, and has attracted general attention.

If a case of dyapepsia skendl be neglected, most serious effects may ensue, for it lays the foundation for, is the incepent cause of, and very frequently terminates in consumption. I would impress upon the mind that to trifle with this disease may be to sport with the reason which constitutes man supereminent among animal beings, or to embitter existence by adding a consciousness of folly to the penalty of pain.

This medicine is neatly put up in bottles, with ample directions for use, and is sold in Sanbury by Jonx W. Pattiso.

Testimony of Mr. Abner Elnes, latter, Market street above Sixth, corroborative of the efficacy of Williams Anti-Dyspeptic Elazir.

Philamelphia, October 3, 1849.

Mr. James Williams

Dear Si: —It gives me great pleasure to know that you are again preparing you medicine for the care of Dyspepsia, for many of my acquaintances have repeatedly asked me where it could be pricated, knowing that I had been cured by it. As I think that a public acknowledgment of the great benefit I have received from the use of your medicine is not only due to you, but may be useful to others, I now make it. For several years I suffered from Dyspepsia, which increased to such an extent that my health and constitution were rapidly suking nuder it. I was completed to restrict myself to the most simple food, and even that I could not digest. I felt a loss of strength, disinclination to exercise, and, as you have it in your advertisement, a general feeling of depression and indesertiable weariness. In the year 1858, hearing from others high recommendation of your Anti-Dyspeptic Elazir. I procured and used it with the most happy effect; under it influence language and warness gradually passed away, and my appetite returned which I could gratify with impunity. PHILADELPHIA, October 31, 1846.

Several years since I was attacked with a breaking out on my neck in the form of Tetter, which I am essistanced was contracted at the Barber's Shop. It groundaily extended over my face until it reached the apper part of the checks. During the several meaths that it continued sprending, I used different applications, some of which had the effect, apprently at least, of ingressing the disease, but from none of them did I perceive the least benefit until I upplied the Rosa Outragers. By the use of one jar of it, I was perfectly cured and have remained free of the affection. I have since used the Ointment, lightly applied for rough-ness of the face, blotches, chapped hands, &c. With per-fect success. I have no hesitation in recommending it is the strongest manner to the public. JAMES DEVOE.
