CARD. To the Free and Independent Electors of Northumberland County.

FELLOW CITIZENS :- Encouraged by the advice of several of my personal friends, I am induced to offer myself to your suffrages at the next election for the office of Associ-ATE JUDGE of Northumberland county. I canno boast of being a democrat, nor will ! exult at being a whig-being of opinion that if a man have no other merit than that of belonging to one or the other of those respeciable parties, however desirable their countenance and support might be, such a man, I say, is not the best candidate for public support. I am of opinion, with the illustrious Jefferson, that the time has now arrived, when the only question, that should be asked in relation to a candidate (for a Judicial office at least,) is simply this: "Is he honest, is he capable, is he fir?" These questions it is your unquestionable province to decide. Under this persuasion of the qualifications for the office, it only remains for me to say, that should I be elected, I will endeavor so to perform the duties of the office, as never to inquire, or desire to know, the polities, or religion, of any suitor in Court.— One respectable gentleman already named for the office, has declined for the present; but intimates, that in future, he may be obliged to you for your votes. My case is not similar-as I am now in my sixty third year, there is not in any homan probability, any "future" for me in reference to this matter. I remain, fellow citizens,

Yours, respectfully, WM. McCARTY. SUNBURY, Aug. 14th, 1851.

PATENT CORN SHELLER. THE attention of the Public is invited to this improvement in CORN SHELLERS, which is acknowledged to be for superior to any other, being on an entirely new principle, shelling the Corn lengthwise of the ear, the Cob passing straight through without revolving-thereby requiring no gearing to increase its speed, which dds so materially to the cost of other machinery. It turns easier and shells cleaner than any other, and is portible in size, and durable in construc-Persons interested are invited to call and see it in operation.
