CARD. To the Free and Independent Electors of Northumberland County.

FELLOW CITIZENS :- Encouraged by the advice of several of my personal friends, I am induced to offer myself to your suffrages ATE JUDGE of Northumberland county. canno beast of being a democrat, nor will I exult at being a whig -being of opinion that if a man have no other merit than that of belonging to one or the other of those re *pectable parties, however desirable their countenance and support might be, such a man, I say, is not the best candidate for publie support. I am of opinion, with the illustrious Jefferson, that the time has now arrived, when the only question, that should be asked in relation to a candidate (for a Judicial office at least,) is simply this: "Is he honest, is he capable, is he fit?" These questions it is your unquestionable province to decide. Under this persuasion of the qualifications for the office, it only remains for me to say, that should I be elected, I will endeavor so to perform the duties of the office, as never to inquire, or desire to know, the politics, or religion, of any suiter in Court.—
One respectable gentleman aheady named for the office, has declined for the present but intimates, that in future, he may be obli ged to you for your votes. My case is not similar-as I am now in my sixty third year. there is not in any human probability, any "future" for me in reference to this matter. I remain, fellow citizens,

Yours, respectfully, WM. McCARTY. SUNBURY, Aug. 14th, 1851.
