CHERRY PECTORAL: For the Cure of COUGHS, COLDS HOARSENESS, BRON-CHITIS, CROUP, ASTA-MA, WHOOPING-COUGH AND CONSUMPTION.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of the success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many proofs are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdom College. Dear Sir :- I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the

families of my friends. This I have now done with a high degree of I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmon-

Dr. J. C. Eyer,—Sir:—I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my ease, until I commenced the use of your "Chenny Pectonal," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored. While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumpter District, who had been suspended from his parochial duties by a severe at-

Indeed, I was rapidly failing, and in such distress for breath, that but little hope of my recovery could be entertained. While in this situon, a friend of mine, (the Rev. John Keiler, of the Methodist church) brought me a bottle of your Curnny Preventat, which I tried more to gratify him, than from any expectation of obtainng relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great medicine. With the deepest gratitude, yours, &c.
