RRON—To Iron they furnish a perfect protection against rast, for they contain no metal, which like white lead acts destructively on the front in that this Paint makes it and only valuable for hubbles paints.

BRICK WORK—They give to be used walls a match beaviers string than other paints, and if sanding is required, anthing holds as firmly or finishes so well with it.

OLD ROODS—Give his a root, never so old and leaky. Silver's Mineral Paints will make it chengly new and note conducing than it ever was.
