BY A B'HOY.

Oh don't you remember the b'hoy's Jin Holmes, The b'hoy's with noses so red? Who drank with delight wherever they met And always went drank to bed; In the old grave want, in the edge of the

town, In corners obscure and alone ; They have gone to rest, for the gay your Have dropp it off, one by one.

Oh don't you remember the jug, Jin And the spring at the foot of the hill?
Where off we have lain, thee? the hot sum?

And drank to our etmost fill : The spring is filled with mud, Jim Rolmes,
And the wild hogs root all around, And the good old jug, with its whiskey

Lies broken and spilled on the ground.

h, don't you remember the tavers, Jin Holmes, A d the bar keeper, kind and true. and he little nook at the end of the bar, Vhere we drank the wine that he drew The tayern is burned to the ground, Jim

Holmes, The buttles are cracked and dry, And of all the b'boys who spread it then, There remains, Jim, but you and I.

There is a change in the things I love, Jim Holmes,
Of some 'tis right sorrowful to think,

For we feel that the wrongs are grevious t bear, When they change to a levy to drink; Many the months that have passed, Jim

Holmes,
There is a change from the old to the new,
But friends will be false and friendship will change, Ere I refuse, Jim, to drink with you.

CHERRY PECTORAL: For the Cure of

COUGHS, COLDS, HOARSENESS, BRON-MA, WHOOPING-COUGH AND CONSUMPTION.

This remedy is offered to the community with the confidence we feel in an article which seldom fails to realize the happiest effects that can be desired. So wide is the field of its usefulness be desired. So wide is the field of its usefulness ted point, solid plating tip, and so numerous the cases of its cures, that almost every section of the country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. When once tried, its superiority over every other medicine of its kind, is too apparent to escape observation, and where its virtoes are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs, which are incident to our climate. And not only in the formidable attacks upon the lungs, but for the milder varieties of Couns, Counns, Hoxustused it, never will.

IMPROVED LIGHTNING RODS.

THE subscriber has constructed a LIGHT-NING ROD on true Philosophical princi-ples, by which beildings supplied with them are rendered perfectly secure against destruction by lightning. The consection and insulation of the rod, as well as the preparation of the ground rod, is on an entirely new plan, making a more perfeet conductor than any heretofore in use. Measures have been taken to secure Letters

Patent for the improvement.

Persons desirous of securing their lives and property from destruction by lightning, can have conductors put up to their buildings in the most perfect and substantial manner, by applying ei-ther parsonally or by letter, to the undersigned, at the following prices:

For 40 ft. I inch copper rod gold plated \$22,00 point, solid plating top, And forty cents for every additional foot

For 40 ft. 1 inch tubular rods gold pla-

id platina tip,
For 40 ft. icon rod silver plated point, And twenty cents for every additional foot over forty.

VEGETABLE CATTLE POWDER

BREPARED BY BREINIG, FRONEFIELD & CO. No. 187 North Third Street, Philadelphia.

No. 187 North Third Street, Philadelphia.

THIS powder is entitled by the united testunous of all who have used it to the first rank of all those CATTLE MEDICINES, which have been shought praise-worthy for many years. Indeed we challenge any person to make a sapersor, or any powder that acts in the same manner. Bethe assimal be perfectly reading a wall either increase the amount of milk or cream and better; or the animal will improve rapidly in fat. It will therefore in time be considered we have no doubt one of the stopic articles of every Farmer, who keeps a diary; and of every person owning a house. It is not one of these kind of Mixyrains that meraly swell an animal up for a short time, but it will be repeatly which it has of converting HIPPURIC ACID (which is an effete matter) into Lacrary carms of starting counts of mutitions matter to be extracted from any same amount of first, thus posselly could be, were the university of first and in the provise matter to be extracted from any same amount of first, thus we have said above. Suffect to say:

We have mixed the arrive agent, with a great number of Viscary mix plaints and before severing a healthy condition to the lower, improving the appetite and promiting digestion of the for thouse, Cover shall lines for the formed. It may be used for Houses, Cover shall lines for the formed in complaints and discourse.

COVS.

For Mingria Cowrs, we are fully conveneed that it not only improve the quality, but that it increases the amount of Aith, Cream and failer; some who have tried the experiment say a Pound a Week, rathers say half a pound more a week from the Cows. We think it will be found to average in in a but in a point per week on each Cow, if the Cows are period; by healthy. This additional mount is made by the conversion of the Hippuric Acid into Nitro-

Pigs in the summer often overheat themselves, get swel-ted necks, coughs, afters in the Langs and Liver, which cause them to the very sudferily, these may be prevented entirely by putting a penul or a half into a Barrel of swell; and it will of the same time considerably husten the fattening process.

N. B.—In animal which is giving milk and you are

many improvements which are constantly being made.—His stock consists of Mahogany

Sofas, Divans and Lounges,

Sofas, Divans and Lounges, For the purp so of flucture of still farther how for our justly coloured GATTLE POWDER, is entitled to the confidence of an infelligent people; we have indicated to the flucture to all purises of the United States, where our Pow man and Horse-man, that it has thus far very much exeded our most singuine expectations. With the additional knowledge thus far obtained, WE

With the additional baseviceine thus far obtained, WE. Hore we will be enabled to make the best and most perfect Carrier Memorium ever yet offered to a discerning people. It must as a valuable promoter of discertion, improves the quality of the blassed and thus increases the areaunt of either Put, Milk and consequently of Butter—Poss in the healthy Aniumi
Deware of Conference as the extensive sale of our powerer has induced others to make an imitation of it.—Posh each law unitaries of the milk perfect the surface of the milk perfect to make an imitation of it.— Flack pack has our written Signature on the end
