

DEMOCRATIC MEETING.

SUNBURY, Sept. 20th, 1852. At a meeting of the democratic citizens of Sunbury, held at the Public School House...

THE AMERICAN SUNBURY.

SATURDAY, SEPTEMBER 25, 1852. H. B. MASSER, Editor and Proprietor.

TO ADVERTISERS.—The circulation of the Sunbury American among the different towns on the Susquehanna is not exceeded if equaled by any paper published in North Pennsylvania.

EDITOR'S TABLE. Business Notices. GLEASON'S DRAWING ROOM CONNECTION.—This handsomely illustrated publication continues to sustain its high character as a beautiful and interesting publication.

GODBY'S LADY'S BOOK.—The October number of this practical has come to hand, well stored with the usual variety of useful and entertaining matter. The lady's book is emphatically a book for the ladies which Mr. Godby has built up for their special purpose.

LADIES DRESS TRIMMINGS.—We call the attention of those in want of such articles to the advertisement of J. C. Osteretter of Philadelphia in this weeks paper.

FALL MILLINERY.—John Stone & Sons, No. 45 South street, Philadelphia, advertise a new assortment of Fall Millinery Goods.

LAND WARRANTS.—Persons having Land Warrants for sale, can dispose of them for cash, by applying at this office.

PRINTING INK.—For sale for cash, at this office, kegs of 25, 20 and 12 pounds each. Price 25 cents per pound.

THE GRADING OF MARKET STREET IS NEARLY COMPLETED. It is now at level as a floor and will be quite an improvement.

THE REGISTER IN THIS COUNTY REQUESTS US TO SAY, THAT HE HAS RECEIVED THE NECESSARY BOOKS, AND IS NOW PREPARED TO RECEIVE CERTIFICATES OF BIRTHS, DEATHS, AND MARRIAGES, FOR RECORD.

MORE AIDS.—Gov. Bigler has appointed two more aids in Dauphin county, with the rank of Lieut. Colonel. What a burlesque the thing has got to be within the last few years. Who wouldn't be a Colonel when titles are so cheap?

THE MAILS.—We are heartily glad to announce that an arrangement has at last been made by the new Post Master General with the Reading Railroad Company in regard to the carrying the mails over the Reading Railroad, and that the mails are now carried over that road and received here as was usual, before the late disarrangement. The Philadelphia papers are now received on the night of the day of publication.

COL. C. M. STRAUB. As Col. Straub has received the unanimous nomination of the district for Congress, we presume there will be no formidable opposition to his election. The democrats have a large majority in the district and as the whigs have no candidate, many of that party will, no doubt, support him. There is certainly no reason for any democrat giving his support to Mr. Krebs, in preference to Col. Straub, on the score of qualifications, as it is generally admitted that Col. Straub is decidedly the most competent man of the two. Our whig friends, themselves, will find it extremely difficult to reconcile their opposition to Col. Straub. Had either of the candidates named by them, been in the field, the case would have been entirely different.

ELMIRA RAIL ROAD.

Col. Carter of the Locomotive Democrat, has the following in regard to the Williamsport and Elmira Rail Road, which, when finished, and connected with the roads terminating at this place, and now in progress of construction, will divert an immense amount of travelling, now passing over the New York and Erie Road, over this route to Philadelphia and from thence to New York.

A few weeks ago, negotiations were open between two or three wealthy and public spirited citizens of Elmira on the one part, and the bondholders of the United States Bank on the other part. For a handsome bonus—some say fifty thousand dollars—the bondholders have surrendered up the road, with all its existing rights and privileges, to the Elmira gentlemen. The work of renewal and extension will be commenced forthwith; and our readers may rest assured that in less than eighteen months a train of cars will pass from Elmira to Williamsport over one of the most substantially constructed roads in the United States.

Now for the other railway connection mentioned in the opening paragraph of the article—a private company and new act, are engaged in relaying the old and worn out road from Sunbury to Shamokin, a distance, we believe, of some 19 miles. The road will, be extended to Ashland, a distance of 13 miles, where it will intersect with the extension of the Mine Hill road, which all connects with the Reading Railroad. The contractors are Mr. Richard McGinn and Mr. Michael Barry, of Lancaster, gentlemen of untiring energy of character, great experience, and extensive connections.

THE WHIG CONFERENCE. Met at the house of Felix Lerch, on the mountain, on Monday last, but made no nomination. David Taggart, Esq., of this County and J. H. Campbell, of Schuylkill, were the nominees of the respective Counties, but they both declined. Mr. Campbell was present and stated as there was no hopes of success for a whig, in the district, he must decline the nomination.

WE UNDERSTAND THAT MR. KREBS OF SCHUYLKILL HAS COME OUT AS A VOLUNTEER CANDIDATE. What his prospects of success are, in Schuylkill county, we cannot say. He has certainly but little to hope for in this County. Col. Straub is said to be exceedingly popular in Schuylkill, and he is certain to get not much less than one thousand majority in Northumberland county.

WE OBSERVE THAT THE FRIENDS IN FAVOR OF CONSOLIDATING THE DIFFERENT DISTRICTS OF PHILADELPHIA, HAVE NAMED A LEGISLATIVE TICKET. Our old friend Alexander Cummings, Esq., of the Bulletin, has been nominated by the County for the Senate, on this ticket. Col. Cummings possesses all the requisite qualifications for the office, and we doubt whether the city could send a more able and efficient representative. The whole ticket is composed of men of character and standing from all parties, and will, no doubt, be warmly supported by every friend of consolidation.

THE PHILADELPHIA BULLETIN STATES THAT Ole Bull, the renowned Norwegian Violinist has purchased a large body of land in the Western part of this State, on which he is about to establish a Colony of his countrymen, the hardy adventurous people of Norway. The editor of the Locomotive Democrat referring to the above says:—

THE LANDS PURCHASED ARE LOCATED ON Kettle Creek, in Potter county, and before the elapse of many weeks, will be in the occupancy of a colony of Norwegian emigrants. For richness of soil, salubrity of climate, to say nothing of the advantages of a home market, the location cannot be surpassed in any part of this broad State. This is an important movement, and cannot fail to exercise the most beneficial effects on the rising prospects of the West Branch Valley. Ole Bull visited these lands last week, and while there delighted, astonished, and bewildered the hardy inhabitants of Kettle creek with an extempore concert.

WE WERE PRESENTED, A FEW DAYS SINCE, by Mr. Gaugler, of Selingsgrove, with some fine yellow peaches, raised in his garden. Three of them weighed nearly one and a half pounds. They were similar to those alluded to by friend Cook of the Danville Democrat presented to him by Frederick Lazarus, Esq., of this place, only not quite as early. Mr. Lazarus, says some of his peaches weighed over ten ounces. There is no town on the Susquehanna, that can beat Sunbury in the matter of big peaches, pretty girls, and interesting babies.

COUNTERFEITS.—As the country appears to be flooded with counterfeit \$1. notes on the Lancaster Bank, we will point out how they can be detected. In the counterfeit the figure 1 in 1841 touches the vignette containing the word "Re-issue." In the genuine there is a space. The female figure in the centre, has a necklace, which is wanting in the counterfeit.

THE EMPEROR OF AUSTRIA OFFERS A MILLION OF FORINS, AS A REWARD FOR THE LOSS OF HUNGARY, WHICH WAS CARRIED OFF DURING THE LATE REVOLUTION. We think he had better appropriate the million of forins, to have his own insured, as that may be carried off before the other is recovered.

CHEAP NEWSPAPER POSTAGE.—Under the new Postage Law, which takes effect on the first day of October, the Sunbury American may be sent by mail upon the following very favorable terms: To any Post Office in Northumberland county, postage free.

To any Post Office within the State of Pennsylvania, for 3 1/2 cents a quarter, or 13 cents a year. To any part of the United States, 6 1/2 cents a quarter, or 26 cents a year. These rates must be paid quarterly or yearly in advance at the Post Office where the papers are mailed or delivered; otherwise the Postage will be doubled.

MR. J. B. REED, of Milton, requests us to say that he offers himself as a Candidate for the office of Register and Recorder, at the ensuing election.

GEN. SCOTT MADE A SPEECH AT HOLLIDAYSBURG A FEW DAYS SINCE, AND ALSO ONE AT PITTSBURG. He left Pittsburg for the west.

OUR CANDIDATE FOR CONGRESS. By reference to the proceedings of the conference of this Congressional district, composed of the counties of Schuylkill and Northumberland, it will be seen that the choice of Schuylkill has been concurred in. Major WILLIAM L. DEWART, the choice of Northumberland, was supported with a zeal and singleness of purpose, that gave evidence of his strong hold upon the democracy of that county. His yielding at present is but the postponement of the claims that were brought to bear upon the conference, and adhered to for so long a time with such unwavering firmness.

WE CANNOT BUT ADMIRE THE DEVOTED FRIENDSHIP EXHIBITED FOR THE MAJOR THROUGHOUT. With his determination to cordially support the nominee, we may confidently count upon a good result in Old Northumberland.—The same may be said of Schuylkill. Here no man has truer or warmer friends than Col. STRAUB. Even among his political opponents, many will be found who are ready to contribute to his election. He is the "Rough and Ready" of this campaign, and never can be made surrender. In fact, there is no such word as fail in his vocabulary. He always conquers, and whoever his competitor may be—whether located in Schuylkill or Northumberland—a Waterloo defeat awaits him. Mark the prediction!

HIS NOMINATION HAS ALREADY SO INSPIRED THE RANK AND FILE OF THE PEOPLE—the toiling millions, one of which has always emphatically been—that dismay is visible in the countenances of our opponents.

THE PROCEEDINGS OF THE CONFERENCE SHOW THAT, while our confederates stuck tenaciously to the old war-horse, they were not indisposed to take a new man. They frequently gave opportunities for the selecting of a third person. This we deem it proper to say, to correct a wrong impression which has been circulated by designing individuals. Major DEWART, however, very properly, when the right of Schuylkill to have the first candidate was granted, showed his regard for the expressed wishes of the democracy of this county in falling upon their first choice. So happy a termination of protracted labor, evinces a united and enthusiastic support of Col. C. M. STRAUB. He goes into the contest with an unbroken front, and will come out of it with victory perched upon his banner.

SHOCKING RAIL ROAD ACCIDENT.—Four Lives Lost.—A shocking accident occurred at Reading on Tuesday evening about dusk. Some factory girls were standing on the track opposite the cotton factory, waiting for a down train to pass, when an engine came on over the other track and ran over four, killing one instantly, and injuring the three others so much, that they all died before morning. The noise of the passing down train prevented their hearing the signals of the approaching up train, and, unfortunately, no attention was paid to the signals of the men on the train who saw their danger.

CANDIDATES FOR THE PRESIDENCY.—There are now six candidates for the Presidency:—General Pierce, Democrat; General Scott, Whig; Daniel Webster, Union Whig; J. P. Hale; Freeholder; Wm. Goodell, Liberator; Gov. Truemp, Secessionist.

THE NUMBER OF PASSENGERS FROM THE PORT OF LONDON ALONE FOR THE GOLD COLONIES OF AUSTRALIA, keeps up to about a thousand a week.

SNOW FELL AT POTTSVILLE, on Monday morning last—the first of the season. There was a heavy frost that night.

BE NOT TOO MUCH AFRAID OF OFFENDING OTHERS BY TELLING THE TRUTH, nor stoop to flattery nor meanness, to gain their favor.

OVER 2000 EMIGRANTS ARRIVED AT NEW YORK ON FRIDAY, IN SIX VESSELS.

COMMUNICATION. FOR THE AMERICAN. MR. EDITOR.—It affords us much pleasure to learn that David Martz, Esq., of Shamokin township, has yielded to the urgent solicitations of his many friends, and consented to be an Independent Candidate for the office of

Register and Recorder, at the approaching election. Mr. Martz is well and favorably known to all the voters of Northumberland county as an honest, intelligent, honorable and upright man, and most eminently qualified for the proper discharge of all the duties pertaining to that office. That he is the choice of a large majority of the people of this County, can scarcely be a doubt, and of his triumphant success, this fall at the ballot box, where every man can have fair play, and where the will of the people must prevail, there cannot, in our opinion, be any question.

MANY INDEPENDENT VOTERS. August 4th, 1852. of Upper Mahanoy.

POISONING.

Thousands of parents who use Vermifuge composed of Castor oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundation for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c. In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

HE NOT DECEIVED! but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.
