To Professor Holloway,

To Professor Holloway,

Sig.—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also necompanied by a shortness of breath that prevented me from waking about. I am 81 years of age, and rotwithstanding my advanced state of life, these Puls bare so relieved me, that I am desirous that others should be made nequanted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not declore.
