#### A RUSTIC RHYME.

A bee, while lay sleeping young Dolly, Mistook her red lips for the rose ; There honey to set k were no folly, No flower so sweet ever blows.

It tickled, and waked her ; when, clapping Her hand on the impudent bee, It stung her ; and Dolly, caught napping, Came pouting and crying to me.

Said she, "Take the sting out, I pray you !" What way I was puzzled to try, And a trifling wager I'd lay you, You'd have been as much puzzled as I.

I'd heard about sucking out poison-A sting is a poisonous dart- = So I kissed her-the act was no wise one The sting found its way to my heart
