From Messrs There & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd, 1851, To Professor Hotloway.

following statement.—Angust 2nd, 1851,
To Professor Holloway,
Sile,—I desire to bear testimony to the good effects of
Holloway's Pills. For some years I suffered severely from
a pain and tightness in the stomach which was also necesipanied by a shortness of breath that prevented me from
walking about. I am 84 years of age, and rotwitistanding
my advanced state of life, these Pills have so telieved me,
that I am destrous that others should be made nequasited
with their virtues. I am now rendered, by their nears,
computatively active, and can take service without inconventures or pain, which I could not do before.
