\$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all secrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most oelebrated Physicians, are the primary causes of a large majority or discusses to which children and adults are listed by the continually changestile from one kind of food to another, Bud Breach, Pain in the Bomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Paise Irragular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP.

An article founded upon Scientific Principles, compounded with purely vegetable arbatances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Diarrhora have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in g ving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infeat the human system, it grows to an aimost Indefinite length becoming so coiled and fastened in the Intestines and Somanch effecting the health so saidy as to cause St. Vitus Dance, Pita, &c., that those afflicted seldom if ever suspect that it is Tupe Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take of to S of my Liver Pills so as to remove all obstructions, that the Worm Syrup may not direct upon the Worm, which must be taken in done of 2 Tablespoonfulls 3 times a day these directions followed have never been known to fall in earling the most obstinate case of Tape Worm.

No part of the system is more liable to discusse than the LIVER, it serving as a filterer to parify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Janudice, Dyapopsin, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS furnished by nature to heal the sick: Namely, 1st, An EX-PECTORANT, which anguents the secretion from the Pulmonary mneus membrane, or promotes the discharge of secreted matter. Bud, An ALTERATIVE, which changes in some inexplicable and insensible manner the certain mashed action of the system. 3ed. A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and parifying the Blood, which destroys disease and restores health. HOBENSACK'S LIVER PILLS.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of meditinable benefit, restoring their functional arrangements to a healthy action, puritying the blood and other finids so effectingly to put to flight all complaints which may arise from female irregularities, as headonles, giddiness, dinness of sight, pain in the side, back, &c.
