Curs of pain in the side and cough from protested Liver Complaint.

Mrs. Robert Adams, laboring under Chronic Liver Complaint, accompanied with a short dry cough pain in the side and breast, general debility, loss of appetite, after trying all the usual remedies recommended for coughs and diseases of two thest, who with as benefit, she was recommended to try the Rose Pectoral, from which, she not only derived immediate but permanent relief.

John Adams, son of Mrs. Robert Adams, was afflicted with a very severe cough, pain in the side, and soreness produced by incessant coughing; he was induced to try the Rose Pectoral. To use his own language, the first dose enabled him to enloy a good night's rest. In the morning he expectorated about half pint of matter. He continued to improve until his cough entirely left him, it also had the effect of strenghening his breast, which was naturally weak. He also says that he has recommended it to a number of his friends for similar complaints, and in every case it has given satisfaction.

The above persons residents of the town of Danville, feeling that they have derived great benefits from the use of the Rose Pectoral; authorize the above statement, for the benefit of those who may be afflicted in a similar manner.

The government of the school is based upon the law of universal love, which enjoins upon all—to do to others as they would think it right that others should do to them. Hence the rules will be mildly, though strictly enforced; and parents and guardians may reat assured, that the morals, habits of study, and general deportment of the students will be carefully attended to.

To Professor Hollowar.

Siz,—At the age of 18 my wife (when now 81) caught a violent cold, which settled in her legs, and ever since that time took which settled in her legs, and ever since that time they have been more or less sots, and greatly inflamed. Her agonies were distracting, and for mouths together she was deprived entirely of rest and sleep.—Every temedy that inciden inon advised was tried, but without effort; her health suffered caverely, suit the state of her legs was terrible. I had often read your Advertisaments, and advised her to try your Pills and Ontronest, and, as a last resource, after every other remody had proved uscless, she communed to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seem or soar, and her sleep sound and meditarbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present anjoyment of health, you would indeed feel delightful in having been the means of so greatly alleviating the sufferings of a fellow-creature. (Signed.)

To Professor Holloway,
Sin,—1 suffered for a part of of thirty years from a last
leg, the result of two or three different accidents at Gas
Works; accumpanied by se whotic symptoms. I had recourse to a variety of medical advice, without deriving
any benefit, and was even told that the leg must be suppotated, yet, in opposition to that opinion, your Pills and
Ointment have effected a complete cure in so short a time,
that few who had not witnessed it would credit the fact.

Draz Sin.—My wife hed suffered from Bud Bransts for more than six months, and during the whole period had the best medical attendance but all to no use. Ifaving before healed an awful wound in my own leg, by your unrivalled medicine. I determined mann to last your Pile and Chimment, and therefore gave them a trial in her case, and fortunate it was I did so, for an less than a month a perfect cure was effected, and the heacht that various other branches of my family have derived from their use at really astonishing. I now atrongly recommend them to all my friends (Signed) FREDIK TURNER.
