THE LANCASTER FORGERY CASES.

We stated a day or two since, that U.S. Marshal Wynkoop, assisted by certain of his Simon Schuyler, Esq., " deputies, had proceeded to Lancaster, and arrested Gen. George Ford, and Judge Von-Gen. William F. Parter, William dersmith, of that place, on the charge of per- T. W. Lloyd, Esq., Cashier, petrating frauds upon the General Government, through the Pension Bureau; and that Lewis G. Hullag, M'Henry & Bubb, Jersey Shore. the said accused had been held to bail by J. P. Huling, Esq., Lock Haven. Judge Long, the President Judge of the Quarter Sessions of Lancaster county. The Marshal protested against the prisoners being taken ont of his custody, but he had to submit. On Friday afternoon, the same office, proceeded again to Lancaster, accompanied by his deputies, John Jenkins and George Wynkoop, and arrested General Ford, Judge Vondersmith, and Alderman Walter G. Evans en a similar charge. They were all taken before Judge Long on a habcas corpus, and admitted to bail in the sum of \$5000 each, making \$7000 in the cases of Ford and Vendersmith. Before the Judge could take bail, the defendents had to waive their right to a hearing and admit that there was a prima facia case against them. Vondersmith is an said day. Associate Judge of the Court over which Judge Long presides, and Ford is a member of the Lancaster Bar Alderman Evans is at present in commission, and when arrested was in his magisterial chair. The frauds alleged to be perpetrated by these men, cover a space, it is said, of twelve or thicteen years, and a very heavy amount is charged as having been obtained .- Daily News.

THE Diamond Ring, which Monsignor Bedini is said to have presented to the May or's Clerk, of New York, is to be put up and knocked down to the highest bidder-the proceeds to be devoted to the Protestant Orphan Asylum.

HOLLOWAY'S OINTMENT AND PILLS the most Effectual Remediet ever known, for Gout and Rheumatism. --Extract of a letter from Mr. Thomas Wyborn, druggist, Eton, dated April 26, 1853. "To Professor Holloway. --Sir,--A case lately came under my notice, which I think should be publicly known. It is that of a poor man who suffered so dreadfully from chronic rheumatism that he lost the use of one side of his body, and endured incessant pain. He was under different medical treatment, and at Westminster Hospital the faculty pronounced him incurable ; however, by the use of your Ointment and Pills, he has been restored to health and strength "
