HAURISDURG, June 30, 1853. After a careful examination of your "American pleaders assistant," I take pleasure in expressing my entire approval of the selection and composition of the precedents thus offered to the public. The fegal profession in Pennsylvania stands in need of a correct system of pleading, adapted to our habits of business, and the practice of the courts. Your forms of declarations being. to a great extent, founded on the acts of assembly will be a saving of labor to the pleader, and con duce to safety and brevity in our pleadings. It should be in the hunds of every practising
