JOHN DONNELLY, MANUFACTURER and inventor of Safety Patent Square Upright Wood box Matches.
No. 106 FOURTH Street, (above Race.) Philadelphia.

Matches having become an indespensible article in housekeeping, the subscriber after a great sacrifice of time and money, is enabled to offer to the Public an article at once combining Utility and Cheapness. The inventor knowing the dan cor apprehended on account of the flimsy man-ner in which Matches are generally packed in pa-per, has by the aid of New Steam Machinery of his own invention, succeeded in getting up a SAEETY PATENT SQUARE UPRIGHT Wood Box ; this box is far preferable, in as much that it occupies no more room than the old round wood box, and contains at least I'wo H undred per Cent more Matches, which to Shippers is considerable advantage; it is entirely new and secure against moisture and spontaneous combustion. and dispels all danger on transportation by means of Railroad, Steamboat or any othe mode of Con-

These Matches are packed so that one gress more may be Shipped to any part of the World with perfect safety. They are the most desirable article for Home Consumption, and the Southern and Western Markets that has ever been invented. Dealers and Shippers, will do well to call and examine for themselves.

LE These Matches are Warranted to be supe-

rior to anything heretofore offered to the Public. JOHN DONNELLY, 106 North FOURTH St., Philad's. Phila., Dec. 16, 1854,-- Cin.
