JOHN P. PURSEL, Register.

A XER'S PILLS,

A NEW and singularly successful remedy for the Cure of all Billous diseases — Costiveness, Indigention, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Infammations, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, Se., &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which load the hearses all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing any thing hitherto known of any medicine. Chreshave been effected beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the many eminent gentlemen who have testified in favor of these Pills, we may mention:

Du. A. A. HAYES, Analytical Chemist, of Boston, and State Assayer of Massachusetts, whose high professional character is endorsed by the Hon. Edwards experience, Minister Plen. to England.

Representatives.

ARBOTT LAWRENCE, Minister Plen. to England.

John B. Fitzpatrick, Cath. Bishop of Boston.

Also, Da. J. R. CHILTON, Practical Chemist, of

New York City, endorsed by Hon, W. L. Marcy, Secretary of State. WM. B. Aston, the richest man in America. S. Leland & Co., Propr's of the Metropolitan S. LELAND & Co., Propr's of the Metropolitan Hotel, and others.

Did space permit, we could give many hundred certificates, from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men is found in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical velocies can afford. They are compounded not of

science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, extracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results. This process in a state of purity, and combined together in such a manner as to insure the best results. This system of composition for medicines has been found in the Cherry Pectoral and Pilis both, to produce a more efficient remedy than had hitherto been 6h-tained by any process. The reason is perfectly obvious. While by the eld mode of composition, every medicine is burdened with more or less of acrimonious and injurious qualities, by this cach individual virtue only that is desired for the curative effect is present. All the inert and obnoxious qualities of each substance employed are left behind, the curative virtues only being retained. Hence it is self-evident the effects should prove as they have proved more purely remedial, and the Pilis a surer, more powerful antidote to disease than any other medicine known to the world.

As it is frequently expedient that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formulae by which both my Pectoral and Pills are made to the whole body of Practitioners in the United States and British American Provinces. If however there should be any one who has not received them, they will be promptly forwarded by mail to his address.

Of all the Fatent Medicines that are offered, how few would be taken if their composition was known! Their life consists in their mystery. I have no mysteries.

The composition of my preparations is laid open

Their life consists in their mystery. I have no mysteries.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their anticipations were more than realized by their effects upon trial.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see wrapper on the Box.

SALAMANDER SAFES. EVANS & WATSON,

GREAT FIRE, Chestant & Fifth Streets, Friday morning, December 35th, 1854. Evans & Watson's Salamander Safes Triumphant, as they always are PHILADELPHIA, Dec. 15, 1854.

Messrs. Evans & Warson, No. 29 South Fourth St., Philadelphia. Gentlemen :- We take much pleasure in recommending your Salamander Safes to Merchants and others in want of a secure means of preserving their books, papers, etc., from fire, as the one we purchased from you about seven months since has preserved our books, papers and cash in as good a condition as they were when put into it, before the great fire of this morning, which destroyed the entire block of buildings corner of Chestnut and Yifth streets. The above safe was in use in our office, on the second floor of our building, from which place it fell into the cellar, and remained there until the fire was out. The Safe was then removed and opened in the presence of at least 1000 persons, who witnessed the good condition of the contents. Will you please have the Safe and Locks repaired, as we intend to put it in use again, having perfect confidence

in its fire-proof qualities. Yours, Respectfully, LACY & PHILIPS. Evans & Watson take pleasure in referring to the following, among the many hundreds who have their Safes in use:-U. S. Mint, Philada; Farmers' and Mechanics' Bank, Phila; Samuel Allen, Esq., High Speriff, Phila; John H.
