RESOLUTIONS ADOPTED BY THE LATE | of the country, the proper remedy is to be

Hon. John L. Dawson, from the committwo, reported the following admirable series evils are insignificant in comparison with of resolutions; which were read and unani- that of danger to the Union; that all others mously adopted : Resolved, That in the present distracted

condition of parties, in which sectional and partial issues have been allowed to attain a dangerous supromacy, we recognize in the policy of the Democratic party, that which rests upon the Constitution as its basis; and that it is the party which above all others has. in the language of the illustrious Madison, ever continued "to hold the union of the ever continued "to hold the union of the states as the basis of their peace and happi-news; to support the Constitution, which is the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union, as well in its limi-the cement of the Union its perpetuity, and forever to cherish and maintain it inviolate. tations as its anthorities; to respect the forever to cherish and maintain it inviolate, rights and authorities reserved to the States as the palladium of our happiness, political, with and essential to the success of the general system ; and to avoid the slightest interference with the rights of conscience or the functions of religion, so wisely exempted from civil jurisdiction."

Resolved, That by the general consent of the wise and the virtuous of all nations, the whom and how their votes shall be given in tramers of the Republic of the United States. the convention. exhibited in their individual characters and in the result of their public deliberations, a tral Committee shall require a pledge from each elector, to vote for the candidate for degree of virtue and practical statesmanship, to which the history of the world affords no parallel; that in no part of the Federal Compact is the wisdom of our fathers more con- cinnatti Convention, and in case of the negspicnons, than in leaving the whole question | le t or refusal of any elector so to do within of slavery to the states in their separate a reasonable time, the State Central Comcapacities; and that in the provision for the mittee be and they are hereby empowered to te-delivery of fugitives escaped from labor or substitute. sorvice, they demonstrated a sense of justice -an appreciation of the value of the Union -in attachment to its preservation--an avoidance of one sided philanthropy, and impractical theories of government-which present a proper example for the guidance and imitation of us, their descendants, Captain Abel George is now in town, getting Kase and Deuty Chas S Engle

Resolved. That we look only to the Consti-law is changed by methods which itself provides, the *highest law* of our obedience as above service, each consisting of one captain, citizens; and that we utterly discard that partial and exaggerated sympathy, the at-tempt to carry which into practice, is at the peril of our dearest interests as a sation, and the provided to the regiment upon being reported to the celonel or comand threatens the infliction of evils of tenfold magaitude to these which it proposes to muster rolls are transmitted to the Adjutant

Resolved. That the equality of the States is the vital element of the Constitution it-The captain intraines as with the rights ing intelligence from the seat of war. He of the States by those who seek to disregard says, on the evening of the 20th ult. Major the sacred guarantees of the past, and by all Bruce attacked with eighteen men, a body others, should be rebuked with the same of about forty Indians, on one of the tribu-spirit that would denounce and repudiate all drives of Applegate- the number of Indians attempts to erect odious distinctions between | being greater than was anticipated, the men those who are entitled to share the blessings and benefits of our free institutions. Resolved, That the effort to direct the pow-

er of the Government by anti-slavery agitation, under the various names and phases of Free-Sollism, Anti-Nebraskaism, Fusionism and Republicanism; and by interfering with the rights of conscience in establishing a religious test as a qualification for office, by the secret oathbound society of the Know Nothings, is opposed both to the letter and the spirit of the Constitution, and to the earnest teachings and practice of its earliest and most honored administrators.

Resolved. That we are now as ever unalterably opposed to the doctrines and designs of all organizations which contemplate the overthrow of the civil and religions rights of the citizen; that the equality of the citizen, like the equality of the States, is a sacred and inalienable right, never to be interfered with by factious parties and reckless legislatoo, without a subversion of the primary objects of our political system, and a repudiation of the guarantees of the past and the hopes of the future.

Pessived. That in the repeal of the act

sought in temperate exercise of the right of discussion, and the ballot box ; that all other

discussion, and the ballot box; that all other evils are insignificant in comparison with that of danger to the Union; that all others can wait the sure amelioration of time, if the Union be maintained; but that disunion would at once prove the destruction of our present interests and happiness as a people, and the death-knell of our hopes.

clared, and the Federal constitution con-structed, and that it therefore becomes in a

Resolved. That all vacancies that may take place in the delegation to Cincinnatti, now selected, shall be filled by a majority of the whole number there present, and that the said delegation shall have full power and au-

thority among themselves to regulate by Resolved, That the Democratic State Cen-

known as the Missouri Compromise act, and the passage of the act organizing the Terri-tor.es of Kausas and Nebraska; free from unconstitutional restrictions, the last Congress performed a work of patriotic sacrifice in accting the demands of sectional excitement by unshaken adherence to the fandamental

Resolved, That this legislation cannot be deemed unnecessary, but that it was expe-dient to meet the questions of which it dis posed, and which could never admit of a more casy settlement than at present. That we recognize in it the application to the Ter-ritories of the United States, of the rule of equal and exact justice to all men" of all sections of the confederary, which was de-signed by the framers of our government, and which was defined as one of its essential principles by the immortal Jefferson.

Resolved. That the Democracy of Pennsylvania, following the cours I of some of the wisest statesmen of the north and south. were ready on more than one occasion in the tities. past, to extend the Missouri Compromise i to the Pacific, so as to make it the basis of a final settlement of the question of slavery in the Territories; but when this prousition was rejected in 1848, on the ground hat involved an andre concession to the outh, by the very men who now clamor for a estoration of the Missouri line, there seemed o be but one wise alternative left, and that cas to migr the whole question of slavery in ne Territories to the people thereof, to be egulated as they might deem proper, and vo therefore cheerfully extend our hearty apport to the policy of the government as cognized in the compromise measures of -50, and embodied in the laws organizing e Territories of Kansas and Nebraska.

Resolved, That unerring indications point the Hon, JANES BUCHANAN, distinguished ike by his high personal character, his tried enucracy, his great experience and eminent atesmanship-as the antion's choice for the fice of President of the United States, for at office.

Resolved, That at a period when sectionalh, in its worst aspects, attempts to under-ne the foundations of the federal constitun, and when an abolition majority aspires supremacy in the popular branch of the Gratiot, now unoccupied by a garrison, a ional legislature, and with the prospect of duty which she can fulfil, and the pay of joulties with foreign nations, who for their which is very fair. poses may seek to intercept and stay the gress of free institutions on this contit, in order that they may more effectually st the advancing footsteps of our repuba example, the statesmanlike qualities of us Buchanan-his long and well tried ices in defence of the constitution-his nate knowledge of our relations with forcountries- and his large and culi htened -rience-point to him as pre-eminently man to lead the victorious columns of the toeracy in November next.

endeed, That we fully endorse the admin-tion of President Prenck as national, ful, and efficient-fully equal to all the stant emergencies which the country has to encounter, and that he has worthily tained her interests at home and a-

N. Th

solved. That in the rise at home of facinimical to our government and constin, and in the stirring and warlike coudiof the times, we behold dangers to our and prosperity, if not to our perpetuihich should cause every good citizen to ar well the steps of his political action, hat we exmeatly invite the lover of his ry, of whatever name or creed, to join apholding the constitution in its purity, ansmitting it unimpaired to our succes-

o'red. That whatever cases of dissatisa with the working of our laws and in-

the capture of two cannons and a lot of rifles at Lexington, Mo., by the border ruffian party, which had been sont from New Engand to the Yankee emigrants in Lawrence. The capture turns out to be a useless one,

for the arms had no locks, the sharp fellows in Boston having taken the precaution to send the locks by another route, and they had previously reached Lawrence. A telegraphic spatch to the St. Louis Republican from Lexington mentions a rumor that the United States Deputy Marshal had left Lawrence to arrest the members of the State Legislature at Topeka, but another despatch of the same date from Independence asserts, on reliable intelligence, that the Legislature was in sea sion at Lawrence, and that Governor Shannon had gone thither to ascertain what they were doing. The legislature seemed to be animated by a determined spirit, but Gov-
