J. A. RHODES, Esq.: Dear Sir—I took your medicine to sell on communication, who care no pay," I take pleasure in stating its effects as reported to me by three brothers who live its this place, and their their testimony is a fair specimen of all I have received:

W. S. Conklin told me—I had taken mise bottles of Christic's Agae Baham, and continually ran down while using it until my langs and lives were Congested to that degree that blood discharged from my much and is week, so that all thought it impossible for me to live through another chill. The doctors too did nil they could fee me, but thought I must die. Nothing did ne may good until got Rhode's Fever and Ague Core, which at once relieve me of the distress sid muses at my stomach and pain in my breath and bowels, and produceds permanent cure in a short time?

H. M. CONKLIN says: "I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinness and specifies without any good result, trons 23th August to 17th December. But seeing how metch in operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of a bottle."

S. M. CONKLIN was and here, but both the other brothers may his case was the same as H. Al's I said the medicine to both the same day, and the cure was an speedy from the same simil quantity, and I might so specify; Yours with res, ect.
