SELECT SUMMER GOODS. LARGE ASSORTMENT!

WE have received our NEW GOODS for the summer trade, and respectfully invite all the world and the rest of mankind to CALL AND

Sen Turn.

People who would conomize and save their limes will do well to call and see how very cheap goods can be had, and should they not conclude to parchase from us, they will be more sant as to the actual value of all kinds of Goods. There are a great many reasons why people chould closely examine our stock, and while it is clearly demonstrated that the obvious meaning directly to the BEAUTY OF TEXTURE, and cheapness in price of goods, it will at the same ECONOMIST,

that a state of things combining a great and di-versified supply, with low prices, must bring about a "communication devently to be wished" in making the POOR MAN RICH, and the rich

man opulent.

And although we may digress, yet permit us o add that nothing would afford a better ground work for a summer evening's entertainment, than for the kind mother who is presumed to have examined our stock, to gather her little flock around ber, and tell them of BRIGHT & SON'S beautiful goods, the hand-ome Silks from France and Italy, the Ribtons and Luces from Lyons, the Merinos from France, the prints from Manchester, the Linens and Lawns from Glasgow and Dub-LEARN THE LIST OF PRICES AT THE | im, and a thousand things of great beauty and utility. But to be a little more practical, we will state for the good of the country, the rising generation, and the full grown, more in detail the goods we retail, in very large or smaller slices, at very greatly reduced prices ! and though HAVE received their large and choice select-we may regret we said it, we'll sell our goods on six months credit, at the end of which the people six months credit, at the end of which the people "flush," will come and pay us with a rush, for none can feel so unconcerned about a debt so fully earned, as to be guilty of procrastination,

o the hazard of their reputation.

Then Gentlemen and Ladies fair, hearken, if you've the time to spare, and hear of New Goods rich and rare, received and being opened.
