THE ATLANTIC FELEGRAPH SUCCESS-FULLY LAID. The Old World and the New Telegraphically United.

St. Joun's, N. F., August 5 .- The United States steamer Niagara arrived at Trinity Bay yesterday with the great news of the success of the Atlantic Telegraph enter-

The cable has been successfully laid, and the Western end of the cable will be landed to-day. The signals have been perfectly transmitted throughout the voyage.

SECOND DISPATOR. The following dispatch has been received from Cyrus W. Field, Esq., of the Atlantic Telegraph Company :

TRINITY BAY, August 5th, 1858. To the Agents of the Associated Press : The Atlantic Telegraph fleet sailed from Queenstown on Saturday, July 17th, and met in mid-ocean on the 28th. Made the splice in the cable at one o'clock, P. M., on no message can be recorded over the cable Thursday, the 29th, and then separated, the British steamers Agamemnon and Valorous bound to Valencia, Ireland, and the Niagara and Gorgon for this place, where we arrived yesterday, and this morning the end of the America to England, your reply.

cable will be landed. It is 1,690 nautical or 1,950 statute miles from the telegraph house at the head of Va- MR. FIELD TO THE ASSOCIATED PRESS-BOTH lencia harbor to the telegraph house at Bay Bulls, Trinity Bay, and for more than twothirds of this distance the water is over two miles in depth. The cable has been paid out from the Agamemnon at about the same speed as the Niagara. The electrical sigspeed as the Niagara. The electrical signals sent and received through the whole culars about the laying of the cable; but I cable are perfect.

stopped a single moment.

house, Engineers, the Electricians, and the had little faith in the cable's arriving, and officers of the ships, and in fact every man | had made very slight preparations for receivon board exerted bimself to the utmost to ing it. make the expedition successful; and, by the ceeded. After the end of the cable has been landed

and connected with the land line of teleshe will go to St. John's for coals, and then ends of the cable have been actually laid by proceed at once to New York.

Cyrus W. Field. New York, Aug. 5.-11 P. M.-Up to on the experimental trip on the 29th of this hour we have nothing further from Trin. May. The cable was broken at the stern of ity Bay, and the New Foundland line is now the Agamemnon on the first attempt to lay closed for the night.

first intimation of the successful laying of the telegraph cable through the agency of the telegraph cable through the agency of the Associated Press. The following is a copy of Mr. Fields' message, announcing the fact : QUEEN VICTORIA'S DESPATCH TO TO THE PRESIDENT OF THE UNITED STATES, WASHINGTON, DEAR SIR:—The Atlantic telegraph cable on board the United States steam frigate Niagara and H. B. M. steamer Agamempon was joined in mid ocean July 29th, and has been successfully laid, and as soon as the two ends are connected with the land line, Her Majesty, Queen Victoria, will send a message to your Excellency, and the cable will be kept free until after your reply has been transmitted. With great respect, I remain your obedient servant,

THE PRESIDENT TO MR. FIELD.

CYRUS W. FIELD.

My DEAR SIR: I congratulate you with all my heart on the success of the great enterprise with which your name is honorably Under the blessing of Divine Providence.

I trust it may prove instrumental in promoting perpetual peace and friendship between the kindred nations. I have not yet received the Queen's de-

Yours, very respectfully.

JAMES BUCHANAN.

Millen, July 16, 7858.—14

the cable all the time. It is in perfect con- they both left this city with sentiments of 1858.

GOVERNOR CUMMING IN CLOVER, AND OTHER

GENTILES IN MISERY. Gov. Cumming, his Secretary, and Dr Forney, the Indian Superintendent-all of whom seemed to become satisfied at once that the Mormons are about as good people as the Lord makes—have been well cared for; but all other gentiles, no matter how careful not Lewist to give any expression here to a word calculated to offend, have been served, generally, with a cold, freezing politeness suggestive of genteel strangling. We have been quite unable to obtain rooms in which to lodge, and Montoureville, Montoureville, Montoureville, are compelled to sleep out of doors, and leave Williamsport, our personal effects to the mercy of any passer-by, whose appreciation of the relative law of meum and tuum may be eccentric or indistinct. There are houses enough vacant but | Elmira. their owners dare not, or not choose to rent them to us, avowedly because the Church

do not wish it.

Add to the facts stated above, showing the partiality for Governor Cumming, the further fact that leading Mormons have been constantly engaged in efforts to depreciate, the labors of the Commissioners—even going so far as to request us to state in our correspondence that the effect of the pressume Grove. reopen and aggravate the difficulty which reopen and Kane had closed—and there Halfack, Bridgeport, ence of these gentlemen has been rather to rumor here originating in Mormon boasting | York, to the effect that Comming accepted the Governorship in the beginning, at the solicitation of prominent Mormons, and that the expectation of being made a United States Senator from Utah was the inducement. You will remember that when first offered the place, Cumming declined it peremptorily. A few days later he reconsider.

Infinx Millersburg the subject, and requested a friend at St. Louis to telegraph to Washington his acceptance. The rumor referred to says that during this period of vacillation, leading Mormoss held out the Senatorship aforesaid.— SUNIURY
It is difficult to understand the nature of the Chillispanes ngular relations of Governor Cumming with this people from the beginning to the present hour, except upon the hypothesis either Warsent was ent hour, except upon the hypothesis either that they knew the terms upon which it is agreed that Brigham shall be Governor in fact, or that they are satisfied of their ability be model the former like pottors' play to to mould the former, like potters' clay, to

any shape they will. Brigham and his people are very anxious for admission into the Union, and are exerting every effort now to accomplish that result -It is their last card, if I mistake not, before abandosing the game as members of the Confederacy. They maintain that it is their constitutional right to be admitted, and they de-Montreamer. sire it, so that they can make a law legalizing Eyster's
Polygamy, and placing it within the charmed Watsontown

circle of "State Rights."

The leaders of the Mormons and the mass Lewislang of the "faithful" continue to look upon the Gentiles with doubt and suspicion. Brighom SENBURY, himself is cross, morose and sullen. They Seins Grove Treyorina Junction are only a little subdued by the presence of the army, and are not conquered by the President's act of clemency. There is no hearty Microbian and Microbian are only a little subdued by the Presence of the army and are only a little subdued by the presence of the army and are only a little subdued by the presence of the army and are only a little subdued by the presence of the army and are only a little subdued by the presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army, and are not conquered by the Presence of the army, and are not conquered by the Presence of the army, and are not conquered by the Presence of the army, and are not conquered by the Presence of the army, and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the Presence of the army and are not conquered by the army are not c foregetfulness of the past, and anticipations of foture peace. Within a few days however, it is probable that their loyalty will be put to the control of th to the test. Judge Eckles, who is bold and fearless in discharge of his duty, proposes to issue writs at the suit of an ex-Mormon, named Wadsworth, for the arrest of certain parties at Payston, 70 miles south of this, kidnapping Wadsworth's adopted child .-Mr. Dotson, the United States Marshal, is expected to serve the writ within a few days ANALYTICAL PMYSICIAN and to take the agensed (Wm. Young and George Wadsworth) to Fort Bridger for trial. This will test the power of the law, Pormerly Physician to Cincinnati Marine and show us whether the threats uttered in

leave to resign his post. THE STOLEN CATTLE RESTORED, ETC. A few days since the Church turned over to the army a portion of the cattle stolen last fall from the merchants by Mormons. number thus restored was 198 head. Of these Gilbert & Gerrish got one steer out of 145 stolen, John Radford sutler, received one mule ont of 159 animals lost, and Russell & Waddell 186 out of 1600 taken from their

trains. The Mormons are abusing Gen. Johnston. for letting his animals eat up all the grass in the valleys. As Uncle Sam owns every foot of land in this country, and the citizens not one, the latter seem to think the old man's cattle ought to starve !

day, the 5th, instant when the Mormon brass band serenaded the Governor, his Secretary.
