ARRIVAL OF THE NORTH BRITAIN LATER FROM EUROPE.

The Atlantic Cable Trouble-Cessation of the Signals-Religious Fanaticism in Turkey. QUALTO, Sept. 21.

The steamship North Britain, which left Liverpool at about 10.30 A. M., of the 8th inst., arrived here this morning. The screw steamship Great Britain, from New York, arrived at Liverpool at 1 P. M.

The steamship Northern Light left South-ampton the same day as the North Britain. GREAT BRITAIN.

The stoppage of signals through the At-lantic cable was announced in the English papers of the 6th, in the shape of a letter from the Secretary of the Company. The letter says that intelligible signals ceased to be received from Newfoundland at one o'clock on the morning of the 3d, from some unknown cause. The directors and a corps of scientific and practical electricians were at Valentia investigating the matter, with a view, if pos-

sible, to remedy the difficulty.

The quotation of the shares immediately became quite nominal, the only price named being from £100 to £500, without any oper-

The London Times says that a similar difficulty was understood to have occurred, temporarily, a short time back, and the hope is that the accident is merely one of these to which the cable must be liable, until the necessary measures shall have been completed for the protection of the portion near the Some disagreements between the electricians and board of Directors have latterly existed and those, it may be presumed, tend to embarrass the general proceedings .-Mr. Whitehouse, who signs himself "electri cian in chief and one of the four original projectors of the Atlantic telegraph," writes to the Times that he believes the injury to the cable to be in the home end, which he had aressen, and had on one occasion repaired,-He apprehends that there is little cause for anxiety, and thinks there is nothing in the operations calculated to dampen the most einguine hopes of ultimate and complete success.
