WHEELER & WILSON MANUFACTULING COS

THE manimous favor which has attended the introduc-tion of Windows & Window's Family Sewing Ma-chine, its andicionst evidence of its excellence. It is need-ess now to say, that this useful instrument is becoming a

chiles, its malicient evidence of its excellence. It is needices now to say, that this useful instrument is becoming a domestic institution: the finet is recognized by its success, follose in them sinds of Panities in every time is life. To these who have hitherts refininged from availing themselves of its advantages, it may not be amise to say, that its utilities and a problem to be solved, but a success already realized. The highest tentimony is constantly affored, confirming the verdet which has given this instructional forming the verdet which has given this instructional may and administration.

Thus Machine is conscived on a principle entirely original, being specially and administry adjusted to the most perfect work on every kind of material; and, having been subsected to a three years' test of the most conciving characters by Families, and in various branches of Machinettre, with distinguished success, it is believed that in all the great points requisite to a compete and principal Seving Machine, it cannot be approached in excellence.

Among the arthrothed advantages it possesses over all others, may be named the following:

1. Its simplicity of construction, and consequent freedom from deringement and need of repairs

2. Its uncampled rapidity and case of operation.

3. Its noiseless nearoment

4. The great variety of purpose to which it can be inpepties, which can be included by no other mochanical invairs. And,

5. The pre-connect beauty and directify of the work.

41 find your Machine invaluable. I have used it a year, and it has nevel been ontol order. The stitch is very distable, and can be adapted to fine or course materials. It works with the rapidity of a decen pair of honds; saves much time, futigor and experime. One of your Machines is used in any father's family; another in the honorard of a sinter; and others by various friends. The en monitored of a sinter; and others by various friends. The en monitored of a sinter; and others by various friends. The en monitored of a sinter; and others
