directly to the BEAUTY OF TEXTURE, and cheapness in price of goods, it will at the same strike the mind of the observing BCONOMIST, that a state of things combining a great and diversified supply, with low prices, must bring about a "consummation devoutly to be wished" in making the POOR MAN RICH, and the rich men opulent.

And although we may digress, yet permit us to add that nothing would offord a better ground work for a summer evening's entertainment, than for the kind mother who as presumed to have examined our stock, to gather the little flock around ther, sud tell them of BRIGHT & SON'S beautiful goods, the handsome Silks from France and Italy, the Ribbons and Laces from Lyons, the Merinos from France, the prints from Manchester, the Lineas and Lawra from Glasgow and Dubin, and a thousand things of great beauty and utility. But to be a little more practical, we will state for the good of the country, the rising generation, and the fall trown, more in detail, the goods we retail, in very large or smaller slices, at very greatly reduced prices I and though we may regret we maid It, well sell our goods on six months credit, at the end of which the people "flash," will come and Lakirs foir, hearten, if you've the time to spare, and hear of New Goods field and rere, received and being opened to the proposal field and trace, and the proposal of the reputation.

Then Gentlemen and Lakirs fair, hearken, if you've the time to spare, and hear of New Goods field and rere, received and being opened to the strike and rere, received and being opened to the strike and rere, received and being opened to the strike and rere, received and being opened to the strike and rere, received and being opened to the strike and rere, received and being opened to the strike and rere, received and being opened to the strike and rere, received and being opened to the strike and received and particles.
