EVANS & WATSON 5 Salamander Safes.

No. 304 Chesnut Street, above Third. PHILADELPHIA.

PHILADELPHIA, Sept. 20, 1859. To the President of the Pennsylvania

Agricultural Society: Agricultural Society:

The subscribers, your committee to examine the contents of a SALAMANDER SAFE of Evans & Watsen, after being exposed to a strong fire on the fair grounds of eight hours, respectfully represent—

That, after seven cords of oak wood and three of pine had been consumed around the safe, it was opened, in the presence of the committee, and the contents taken out, a little warrind, but not even scorehed.

Several Silver Media, heretofore received by the manufacturers, and a large quantity of documents, were in the sefe, and came out entirely uniqued.

The experiment satisfied us of the capacity of Safes of this kind to protect contents from any fire to which they may be exposed.

WILMINGTON, Sept. 17, 1859 -Mesers. Evas & Waton Philadelphia Gentlemen:—The Salamander Fire-Proof Safe of your Gentlemen:—The Salamander Fire-Proof Safe of your munifore, purceased by us from your Agent, Perris and Garrett, of our city, some nine months ago, was acverely tried by burghers has Saturday night, and although they had a slenge hammer, each chizels, and gunpowder, they did not succeed in opening the Safe. The lock being one of "Hall's Patent Powder-proof," they could not get the powder into it, but drilled a hole in the lower panel and forced in a large charge, while twee jumples, and although the dwer, inside not out, showed the explosion not to have been a small one, it was not forced open. We suppose they were the greater part of the night at work on it. We are much graifed at the result of tee attempt to enter it, and if the above facts are of any service, you are at liberty to use them.

Great Fire !- Another Triumph !! KNOXYILE, Tennessee, March 12th, 1859.

Messes Evans and Watson.—Gentleman—It affords me great pleasuace to say to you that the Salamander Safe, which I purchased of you in February, 1868, proved to be what you recommended it—a sure protection from fire. My storehouse, together with several others, was burned to the ground in March last. The Safe full through into the cellar, and was exprised to intense heaf for six or eight hours, and when it was taken from the vains and opened all its contents where found to be in a perfect state, the books and the papers not being inquired any whatever. I can cheerfully recommend your Safes to the community, believing, as I do, that they are as near fire-proof as it is possible for any Safe to be made.

HOSTETTER'S

STOMACH BITTERS.

It is a fact that, at some period, every mem It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Heaster has inlife. For this purpose, Dr. Hostetter has in-troduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfac-tion to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nau-sea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally con-

tracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparatio Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be inful-lible? All nations have their Bitters, as a proventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science. Feven AND AGUE. - This trying and provok-ing disease, which fixes its releatless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally uzeless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the

above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is re-moved as speedily as is consistent with the pro-duction of a thorough and permanent cure. For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a body with the point of the property of the p mother while nursing these Litters are indispensable, especially where the mother's nour-ishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is

acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness. CAUTION .- We caution the public against using any of the many imitations or counterfeits, but sak for HOSTETTER'S CELEBRATED STONACH BITTERS. and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph

signature is on the label. 43- Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.
