GOOD NEWS FROM MISSOURI. OFFICIAL DISPATCH FROM GENERAL FREMONT.

Flight of the Rebels under Martin Green-tiap ture of Baggage, Provisions and Plender. WASHINGTON, Sept. 12 -The following de spatch was received to-night at the headquar

ters of the army:

Sr. Louis, Sept. 12, 1861.

To Col. E. D. Townsend, Assistant Adjutant General:—The report of General Pope, received to day from Hunneville, says that he made a night march on Martin Green last Sunday, who, however, got notice of his approach; but was successful in continuing the dispersion of 3,000 of the rebel force, leaving behind them much baggage, provisions and fo. equipments. Our loss was S killed. rage; also the public property seized by Green at Shelbourn. Gen. Pope's infantry was too much fatigued to pursue. The horse-

THE LATEST FROM THE REBEL STAFES Louisville, Kr , Sept. 12. The Richmond papers are full of doleful descriptions of the ravages of sickness in the

army of the Potomac.

The Union prisoners in Richmond now number fourteen hundred, and are confined in five tobacco warehouses. By recent orders no more visitors are admitted to them. Newspapers are denied them, and the supply of coffee and sugar cut off. Capt. Gibbs, of Florida, has been appoint

ed Provost Marshal for Richmond.
The panic in North Carolina has consider. ably subsided, and fugitives from the coast

towns are returning to their homes. Charleston papers state that within a month fourteen vessels have entered Charleston, and thirty three the Wilmington harbor, and that in the same time one han-dred and eighty thousand dollars in duties

at a mass meeting on the 21st ult , his people authorized their authorities to form an allibe raised for the rebel service.

COL. JOHN A. WASHINGTON SHOT.

CLARKSBURG, Va., Friday, Sept. 13. The rebels commenced an advance on both pikes yesterday morning toward Elk Water and Cheat Mountain summit. They succeeded in surrounding the fort on the Summit, and cut the telegraph wire. They continued to advance on Elk Water until within two miles of our troops, when a few shells from Loomis's battery dispersed them. Skirmishing was kept up all night.

This morning two regiments were sent to cut their way through to the summit and succeeded, the rebels retreating in all direc

Two robel officers spying round the camp at Elk Water this morning were surprised by our pickets and shot. The body of one was brought into camp, and it proved to be that of Col. John A. Washington, of Mount

Washington, September 15.

About one o'clock this afternoon two of the Rebel pickets detained at Munson's Hill ventored beyond their picket line, when they were fired on by our sharpshoaters. As they were both seen to fall, it is supposed that they were killed.

Several companies of Berdan's Sharp shooters have arrived. They will be distrib-Rebei officers in case of an engagement. They have been anxiously looked for, and will contribute as much to the success of our arms as the artillery.

PATENT SPRING HORSES

FROM THE "HOME JOURNAL." "Of all the child-furniture, we have ever seen no article combines so much of those two impor-tant things—health and happiness—as the Ad-justable Patent Steel Spring Saddle-Horse, in-vented by Jesse A. Grandall, It is not danger-ous, like a common rocking-horse, to children's feet, cannot be upset, does not wear carpets, but stands firm on its base, and its action is so like the gallop of a live horse that the child never weaties of it. This atest of child novelties is exceedingly elegant and artistic in design; and so adjustable, substantial, and durable, that it will last a lifetime. It is indispensable in every family where there are children. It should be in every primary school and gymnasium in the country, as it can be made large and strong nough to sustain grown persons. As a podestal or photographic pictures, nothing is more beauti
