He routed the enemy, capturing many prisoners, three pieces of cannon, and all their wagons camp equipage. The rebels retreated towards

Our loss is triffing ; that of the Rebels has not been ascertained, but is believed to be large.

OFFICIAL DESPATCH OF GEN. KELLY. Washisuron, Oct. 27.-Lieut. General Scott, to day, received the following despatch dated Ronney, Va. Oct. 26, P. M. "In obedience to your orders, I moved on this place at twelve o'clock last night, attack ed the enemy at three o'clock this afternoon, and drove in their outposts, and after a brilliant action of two hours, completely routed them, taking all their cannon and much of their camp equipage, and many prisoners -

what extent. B F KELLEY, (Signed) The forces under General Kelley are be-lieved to have comprised, among others, the Third and Seventh Virginia Regiments, one Ohio regiment, and the regiments command ed by Colonels Moss, Thorburn and Ziegler. THE WAR IN MISSOURI. THE FIGHT AT FREDERICKTOWN. Pinor Knos, October 25 .- Cel. Plummer has returned with his command to Cape Girardenu. Col. Carlin now occupies Frede ricktown with a regiment of infantry, a squadron of cavalry and two pieces of artillery. -Thompson and his Rebel band were pursued twenty two miles beyond Fredericktown, on the Greenville road, when the chase was aban one. They are probably at Greenville now, but they are completely demoralized, and will, doubtless, continue their retrest The detail sent out to bury the dead after the battle reported nearly 200 of the R-bels killed and left on the field. Our loss was six killed and about forty w a .ded-one mor FURTHER PARTICULARS.

October 26 - Ther are but few additional particulats of the Fredericktown fight. It astrous defeat to the enemy. The battle took place one mile south of Fredericktown, where the road to threenville crosses a kind of ravine. The enemy were well posted in the corn fields and brush on both sides of the road beyond the ravine. Their cannon were well planted, too, for the purpose of defending the road against our approach. Whilst all the troops were eager for the fray, most of the fighting fell to the share of the Indiana Cavalry and Col. Ross' Seventeenth Illinois, Other regiments could only participate in the chase, which commenced in less than an hour after the first gun was fired. The enemy was pursued eight or ten miles-they scat tering off to the right and left by every p acticable route. The retreat was on the one of the Greenville road, and the remnant of Thompson's army is making for Arkausus

in double quick time.
Our loss in killed does not exceed six, and there are not more than twenty who are seriously wounded. The loss of the enemy is not less than two hundred in killed and wounded. Twenty five dead bodies were buried from a single field yesterday, and others were found upon the line of the retrest for tolles beyond thee battle field. We cap | 19 John Fisher, Shamokin tured twenty, seven prisoners, together with a co Charles Bellman, Turbut let of guns, &c. Most of the guns are of the 31 Moses Renz, Lower Augusta most ordinary description of squirrel riff-s or | 22 Wm E F. tzer, Chibsquaque shot gans, some of them with the old fint 23 Peter Ferster, Jr , Washington Our wounded, together with the 24 Solomon Martz, Shamokin remains of Major Gavitt and Captain Hyman. were brought to Ironton last night. A few of the wounded with these two gallant officers, have been sent up to St. Louis by to-day's train. Also, the body of private McClain, of the same regiment.
Our whele force left Fredericktown yester-

day moon, in pursuit of the fugitives. It is very questionable whether they will be able to overhand them this side of the Arkansas line. The people of Fredericktown seem to have united in an attempt to deceive the U S. troops as to the whereabouts of Thompson and his army. They stated to the officers that Thompson had left the town on Sunday, and was by that time (Monday noon) thirty miles away. They were at the same time aware that this swamp fox and his followers had arranged a very pretty ambuseade within a mile of the town, where they expected to aunibilate their foes. The troops were greatly exasperated by this attempt at deception, and, after the battle, several houses were fired before the soldiers could be restrained by their officers.

FIVE MILES OUT OF BOLIVAR,) 10 o'clock A. M., Oct. 25.

GENERAL:-1 report respectfully that yesterday, at four oclock P. M., I met in Spring- 41 Charles G Gulick, Point field, about two thousand Rebels, formed in 42 Louis Balliet, Turbut, line of battle. They gave us a very warm reception, but your guard, with one feeling. made a charge, and in less than three minutes the enemy was completely routed by one hundred and fifty men. We cleared the city of every Rebel, and retired, it being near night, and not feeling able to keep the place with so small a force. Major White's command did not participate in the charge. I have seen charges, but such brilliant ananimity and bravery I have never seen, and did not expect. Their war cry, Fremont and the Union, broke forth like thunder.

The expectation which at first prevailed, that the United States troops would be able to advance in overwhelming numbers to Leesburg, occasioned the atmost excitement.
