The Gold Pen is, we believe, a Yankee invention. At all events, while our oldest recollection of Steel Pens bears a British stamp upon it, we do not remember to have seen a European Gold Pen for sale in this country; and if any are, or ever were, imported, their number must have been few. We are confident that such Pens do not figure in the Federal Treasury's annual cat-

The Gold Pen in its infancy was a rude affair, made by hand, and clumsily made. Now every one of the thirty or forty proceases through which it passes from the melted metal to the finished pen is achieved by the aid of Steam and Machinery, precise-ly as the best fire-arms are made at the U.S. Armory at Springfield, Mass. Mr. Morton's spacious manufactory is full of costly and delicate machines, together costing many thousands of dollars, by the aid of which every operation is performed with an econcmy, celerity and accuracy utterly unattainable by manipulation alone. Such pens as he sells for \$1 could not be made by hand for double that sum-in fact, could not be made at all. For ten years or more, he has been inventing and perfecting the machines he now uses, until he can now turn out a thousand pens per week with less labor than PORT ROYAL HARBOR, S. C., April 28.

HAVE YOU A COUGH? Then use JAYNE'S EXPECTORANT. Do not allow your cold to take its own course. Two thirds of the victims of consumption owe their afflictions to the fatal mistake of "waiting for a cough to get well of itself." Do not fall into this error, but avail yourself at once of a remedy which thirty years experience has demonstrated is certain to procure

HAVE YOU ASTHMA OR PHTHISIS. Then use JAYNE'S EXPECTORANT, which will overcome the spasmodic contraction of the wind tubes, and cause them to eject the mucuous or matter which clogs them up, and by an easy and free expec-toration remove all difficulty of breathing.

HAVE YOU BRONCHITIS!

Then use JAYNE'S EXPECTORANT. This wide spread disease which may generally be described as an inflamation of the fine skin which lines the inside of the wind tubes or air vessels, spreading through every part of the lungs, is often taken for consumption. The Expectorant subdues this inflamation, relieves the attending cough, psin, and difficulty of breathing, and if the case is not of too long standing, will certainly produce a cure.

HAVE YOU CONSUMPTION? Then use JAYNE'S EXPECTORANN. It clean es the lungs from all irritating matters, while at the ame time it heels and invigorates them. Of all the The subscriber respectfully informs his old friends this dread disease, none have stood the test of time or maintained so universal a popularity as this Expectorant. Thousands who have been given up by their physicians as incurable have been restored to perfect health by its use, and their testimony must carry quovietion to all who read it.

THE subscriber respectfully informs his old friends and the public generally that he has commenced the BLACKSMITHING BUSINESS, in the shop attached to E. Y. Bright's Foundry, and is prepared to do all kinds of Blacksmithing, in the best style and workmanship.

HAVE YOU PLEURISY? Then use JAYNE'S EXPECTORANT. By taking taking two or three large doses in the early stage of the disease in quick succession, and covering up warmly in bed, this preparation acts as a sudorific or sweating medicine, and subdues the inflamation at the

Then use JAYNE'S EXPECTORANT. There is no remedy which so effectually overcomes this discase as the Expectorant. What parent can witness the sufferings of her children from this distressing complaint without doing all in her power for their relief? What medicine so pleasant to the taste, or so certain to produce immediate benefit. so certain to produce immediate benefit? Give it a trial, and let it prove its efficacy.

HAVE YOU CROUP? Then use JAYNE'S EXPECTORANT. Children are subject to no disease more sudden in its attacks, or, in the absence of prompt relief, none more fistal in its results than Croup. Parents, therefore, should keep at hand a remedy gure and thurough. Such a remedy may be found in the Expectorant, and every careful mother will keep a supply by her.

JAYNE'S EXPECTORANT. Ls a standard medicine. For thirty years it has been before the public, and during this period its carative powers have been testified to by all classes of people in all quarters of the world.
