GREAT REMFEY

For Rheumatism, Gout, Neuralgia, Lumba go Stiff Neck and Joints, Sprains, Bruises, Cuts and Wounds, Piles, Headache, and all Rheumatic and Nervous Disorders.

For all of which is a speedy and certain remedy, and never fails. This Liminent is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in the practice

for more than twenty years with the most astenishing As an Alleviator of Pain, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial. This Limiment will cure rapidly and radically, Rheumatic Disorders of every kind, and in thousands of cases where it has been used it has never been known to fail

For Neuralgia, it will afford immediate relief in

For Neuralgia, it will afford immediate relief in every case, however distressing. It will relieve the worst cases of Headache in three minutes, and is warranted to do it.

Toothache also will it care instantly.

For Nervous Debuilty and General Lassitude, arising from imprudence or Jexcess, this Limiment is a most lappy and unfailing remedy. Acting directly upon the nervous issues, it strengthens, and revivifies the system, and restores it to elasticity and vigor.

For Piles, as an external remedy, we claim that it is the best known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a radical cure. Quincy and Sore Throat are sometimes extremely malignant and dangerous, but a timely application of this Liniment will never fail to cure.

Sprains are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected.—

The worst case may be conquered by this Liniment in two or three days.

Bruises, Cuts. Wounds, Sores, Uleers, Burns and Scalds, yield resultly to the wonderful herling properties of Dr. Sweet's Infallible Liniment, when used according to directions. Also, Chilbiaus, Frost.

IMPOTENCY, FATUITY, EPILEPTIC FITS,
In one of which the patient may expire. Who can say that they are not frequently followed by those directions of the joints is liable to occur if neglected.—

INSANITY AND CONSUMPTION,

Many are aware of the cause of their suffering, but none will confess. The records of the insane Asylums and the melancholy deaths by Consumption, bear ample aitness to the truth of the assertion.
