trendence and all said she was too her gole with Consultion to be sured; but she had heard of some great cores I had made, and found her lying confined to her bod in the last stage of bronchial consumption and without doubt must have died soon. I ezamin-ed her longs, found both bronchial tabes very much affected, but no cavities had formed, her cough was very severe, the spit-box was half full of thick pus. Paise 140, log swelten very much; and worse than all, she had ehrome distributes. Her towels had been moved eleven times that day, told her that she had longs amongh to be enred, but stometh was in such a ulcerated condition that I was afraid nothing could be done. She insisted I should try and do what lead to condition she was in, and I could not instalong in the condition she was in, and I could not make her any worse. I gave her first a dose of my Mandrake Pills, and the tonic and Symp freely.— That was on Tuesday, and by the next sunday the durther was carried off, her appetite had returned and she could sit up in bed and at her dinner. She is now well, and gave a long certificate, certified to be the day. published. 1. The different Boards of Enrollment, Western Di-The different Boards of Enrotineed, Western Di-vision, Pa., are requested to immediately proceed to excents the sixth section of the act of Congress, entitled "An act to amend an act for enrolling and calling out the national forces, and for other pur-poses." approved February 25, 1864.
 They will at once appoint the necessary en-rolling officers for their respective districts, with in-structions.

diarrheen was carried off, her appetite had returned and she could sit up in bed and cat her dinner. She is now well, and gave a long certificate, certified to by the Rev. Dr. Downing. "Mrs. Bartholomew, Si West Forty-fifth street, came to my rooms with a timor on her liver. She was low-spirited, skiu sallow, tongue coated, howels coative, no appetite, and fast sinking into the grave. The said timor had been running over fourteen years. I gave her Syrap. Tonic and Pills, and told her to take them just as the directions were printed. She came back to my rooms 52 Bond street in two weeks, somewhat botter ; her tongue had begun to clean a little around the diges, her skin whiter and her eyes brighter and the tumor discharging very offensive matter, much faster than it had ever done before. She kept gradaally improving, and in about two months she came to my rooms very much fright-ened, asying that the tumor had nearly stooped running, and was henling up, and that every doctor had told her that if it ever healed it would cause her death. I told her that the discuss had all lift her system, and nature would heal the lever up. They are now healed, and have been for about a year, and she is a hearty and robust a woman as you will find in a days walk. She is gird for any one to call on her, and takes great pains to visit any one that she hearts has anything like her ease, and tries to get them to come and see me. The next case is Miss Soufield, from Stamfard, Com. Mrs. Bartholomew got her down to see me, and she has been ever since at her house. When she first came to my rooms, she was much emaciated with a discussing cough, spit-ting arge quactities of blood. I examined her lungs structions. Lat.
