FOR SALE .- Roy. M. Rhede's Sermon deliv ered on the day of the obsequies of our Martyr Pro-sident, published in pamphlet form for the benefit of the Ladies' Sanitary Aid Society of Sunbury, can be had at this office.

The "Fourth" was celebrated at Elysburg with considerable spirit. An address was delivered by Rev. Mr. Wampele. At Northumberland there was a Sunday School

celebration. At Selinegrove a "free dinner" was provided in a neighboring grove by the citizens of that place, at which many of the returned soldiers as well as civilians participated.

At Lewisburg there was a procession and display of fire works in the evening.

POLE RAISING .- The pole in Market Square, on which the large flag has been displayed for a year past, was taken down and raised again on the 4th. A new pole was also raised in Fawn street, at Borrel's Tavern, one hundred and one feet in length, under the superintendence of Mesers, Chas. Beck, T. Vickers & J. Wilder.

FRUIT -Raspberries are nearly over Dewberries and phortleberries are in the market, and blackberries will be in a few days.

FO FOUND DEAD .- A soldier of the 2024 Regiment P. V., a young man from Lewisburg, named Wm. Gunther, was found in the river below the damnear this place last week. His friends recognized his hade which was disintegred and taken to Tishurg for burial. He is said to have been a young man of good habits and excellent character, and the supposition is that he had been foully dealt with.

The proceeds of the dinner and festival held by the members of the Lutheran Church, at this place, on the 4th, amounted to about \$350. The money is for the repair of the Church.

Notice to Subscribers .- As the first year of the publication of the AMERICAN under the present terms will expire in September, it may be well to remind subscribers that fifty cents can be saved by paying within the year. Subscribers can forward the amount by mail at our risk .

I A New TRAIN -On Menday heat a new train is to be placed on the Philadelphia & Eric road, to run between Sunbury and Tyrone, on the Pennsyl vania road, by way of Williamsport and Lock Haven. The train north will leave this place daily about 10.40 A. M., for Tyrone. The train south will arrive at this place about 4.30 P. M., passing the mail train, North and South, at this place. This will make a short route to Pittsburg, saving a distance of a hundred miles from some points on the Philadelphia &

Life road.

Life The domestic markets remains without much change. Vegetables are getting semething cheaper. Butter still commands 25 cts., and eggs the same—from 5 to 10 cts., higher than is paid by some of our neighboring towns. Beef is about the same, although a great fall in the price of cattle is reported.

The great feature of the celebration was the dislay of "Fire Works" in the evening. This exhibit on was in Market Square under the superintendence f Mr. John C. doubt, decide the disputes:

"The ice-flood happened in the winter of 1784-5, and the pumpkin-flood in the fall of 1787. During the ice-flood, the low ground about the grave-yard was covered with water, and the ferry flats were tied to the bars of the cellar windows of the stone house. On that occasion, the water rose into the first story of Judge Carson's house, above Harrisburg, and a considerable part of the river ran around the house and Paxton creek. The fences on its route were generally carried away. During the pumpkin flood, the ground about the grave-yard was also covered with water, and the pumpkins, carried off chiefly from the Yankees in Wyoming valley, were strewed in profusion over the low ground below Harrisburg."

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured them, selves by improper indulgence and solitary habits, which rain both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbe, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Dopression of Spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and enaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it so often happens that an ill-timed rease of shame, or dread of discovery, deters him from applying to these who, from education and respeciability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as nicerated sore make their appearance, such as nicerated sore make their appearance, such as nicerated sore introst, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the hones of the mase fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful miforings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a wiclancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that Deadly Poison, Mercery, ruin the constitution and make the residue of life miserable.

I most cheerfully bear testimony to the value of the "Phoenix Pectoral or Compound Syrup of Wild Cherry and Seneka Snake Root. Before using it I had been suffering with a tickling in my throat and tight cough, for more than two years, and had taken various other medicines with no relief. As soon as I began to use Dr Oberholtzer's medicine the irritation in my throat was allayed and in a few weeks I was entirely cared.

I have also given it to my little girl, for a croupy cough, with the happiest elects.

Portsrown, Jan. 3d, 1865.

This certifies that I have used the Phoenix Pectoral in my family, and I recommend it to the public as the very best remedy for Cough and Colds that I have ever tried. One of my children was taken with a cold secompanied with a Croupy cough; so bad indeed that it could not talk and starcely breathe. Having heard so much said about the Phenix Pectoral I procured a bottle of it. The first dose relieved the difficulty of breathing and before the child had taken one-fourth of the bottle it was entirely well. Every family should have it in the house. Signed,

HAPPINESS

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can OF SARSAPARILLA. It cleanees and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can de-pend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show t the sick that it has virtues surpassing anything they have

ever taken.
Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla. or the decoction as usually made.

The above Extracts are prepared on purely scientific principles-in Fucuo-and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their proper-ties with those set forth in the U.S. Dispensatory.

HOW TO USE THE REMEDIES.

THESE EXTRACTS HAVE BEEN ADMITTED PANCY NOTIONS & TELEMINISTENCES TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as well as la private practice, and are considered as invaluable
