SCHENCK'S MANDRAKE PILLS

SICK HEADACHE, Its Simptons Cause and Cure.

This has received its name from a constant nanses or sickness at the stomach, which attends the pain in he head. This headache is apt to begin in the morning on waking from a deep sleep, and when some irregularity of diet has been committed on the day before, or sometimes for several days previous. At first there is a distressingly oppressive feeling in the head, which gradually merges into a severe heavy pain in the temples, frequently attended by a tense of fullness and tenderness in one eye, and exsending across the forehead. There is a clammy, unpleasant taste in the mouth, an offensive breath, and he tongue covered with a yellowish white fur. The sufferer desires to be alone in the dark room. As soon as the patient feels the fullness in the head and pain in the temples, take a large dose of Schenke's Mandrake Pills, and in an hour or two they will feel as well as well as ever. This has been tried by thoutands, and is always sure to cure, and instead of the sick headache coming on every week or ten days. hey will not be troubled with it once in three

ANHAPPINESS

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make discose. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that It has virtues surpassing anything they have

ever taken. Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla,

The above Extracts are prepared on purely scientific principles—in Vacuo—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their proper ties with those set forth in the U. S. Dispensatory.

HOW TO USE THE REMEDIES.
