SCHENCK'S MANDRAKE PILLS

SICK HEADACHE,

Its Simptons Cause and Cure. Trus has received its name from a constant name: or sickness at the stomach, which attends the pain in he head. This headsche is apt to begin in the morning on waking from a deep sleep, and when some irregularity of diet has been committed on the day before, or sometimes for several days previous. At first there is a distressingly oppressive feeling in the hend, which gradually merges into a severe heavy pain in the temples, frequently attended by a tense of fullness and tenderness in one eye, and exsending across the forehead. There is a clammy, unplearant taste in the mouth, an offensive breath, and he tongue covered with a yellowish white fur. The sufferer desires to be alone in the dark room. As soon as the patient feels the fullness in the head and pain in the temples, take a large dose of Schouke's Mandrake Pills, and in an hour or two they will feel as well as well as ever. This has been tried by thou tands, and is always sure to cure, and instead of the sick hendache coming on every week or ten days, hey will not be troubled with it once in three

Schenck's Mandrake Pills are composed of a number of roots besides Podophinin, or concentrated Mandrake all of which tend to relax the secretions of the liver, and set more prompt than blue pills or mercury, and without leaving any dangerous effects In a billious person they will show themselves by the stools. They will expel worms, mucus, bile and ult morbid matter from the system. In sick headaches if they are taken as directed abvove, (a full dose as soon as they feel the first symptoms of it Dr. Schenek will and has directed his agents to return the money if they do not give perfect satisfaction.

If a person has been compelled to stay out late at night and drink too much wine, by taking a dose of pills on going to bed, next morning he will feel as though he had not drank a drop, unless he forgets to go to bed at all. They only cost 25 cents a box.

Whoever takes them will never use any other .-They are worth a dollar to a sick man for every cent they cost. Dont forget the name-Schenck's MANDRAKE

## HAPPINESS

NOT A FEW Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleaners and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can de-pend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.
Two tablespoonsful of the Extract of Sarsaparilla, added

to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in Figure—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their proper-ties with those set forth in the U. S. Dispensatory,

HOW TO USE THE REMEDIES.
