Wister's Baisam of Wild Cherry gives universal satisfaction. It seems to care a Cough by loosening and cleansing the lungs, and allaying irritation, thus removing the cause, instead of drying up the cough and leaving the cause behind. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were enter-tained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it.
