A PENNSYLVANIAN WANTED,-The Cleveland Herald gives the following, which we trust will reach the eye of some friend of the departed soldier referred to:

Geo. Wilson, supposed to be a resident of Pennsylvania, was enlisted by Capt. William Kenny, of Company B, 8th Ohio Infantry, in June, 1861. Just before the battle of Gettysburg he gave the Captain a check for \$60. During that memorable engagement Wilson was killed. The Captain, now living in this city, has the check and says there is some back pay and bounty due the soldier. Wilson once informed a comrade, while on pickat guard, that he was born in Pennsylvania; that he had been absent from home over six years, and that his parents did not know anything relative to his whereabouts. Cap-tain Kenny is desirous of sending the check to his friends, if they can be found.
