From Hon. Judge SPRAKER, of Canajoharic, N. Y.

Well known and much respected among the German population in this country makes the following statement for the benefit of the afflicted.

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affected me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then presured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case much frequent use of your valuable medicine, and have always been benefitted by it.
