Local Affairs.

☞ **Job Printing.**—Having received a large supply of NEW JOB TYPE, of various new styles, Posters, Handbills, Circulars, Cards, Letter Heads, Bill Heads, Labels, &c., can be printed in the latest and best styles, and on short notice.—Orders by mail promptly attended to.

☞ A BROWN MUSLIN PARASOL was left in the drug store of Dr. Bennett, about a week since. The owner can get it by calling at the store.

☞ ANOTHER FIRE AT WILLIAMSPORT.—The dry house of Reading, Fisher & Co., with its contents, fifty thousand feet of lumber, was destroyed by fire on Monday evening, 16th inst. The loss amounts to about $12,000.

☞ GOOD INTENT FIRE COMPANY.—The members of the company are requested to get the material for their new uniforms immediately. The flannel, as ordered, can be procured at the clothing store of S. Kronenberg. They are also requested to leave their orders for caps at the hat store of S. Faust.

☞ FESTIVAL.—The ladies connected with the German Reformed Church, of this place, intend holding a festival for the benefit of the church, in the old Court House, commencing on Monday evening, August 6th, (the first day of August court.)—As the object is a most worthy one, we hope they will be well patronized.

☞ SALE OF REAL ESTATE.—Geo. W. Haupt, administrator of the estate of Wm. Konnelly, dec'd., advertises in to-day's paper the sale of some valuable town lots, situated in this place and Mt. Carmel. If the property is not disposed of at private sale before the 17th of August next, it will be sold at public sale at the Court House, in Sunbury, on that day.

☞ THE SECOND GRAND SUMMER SOCIABLE, in pic-nic style, on the steamer "Ira T. Clement," came off on Thursday evening last, under the management of Mr. David Fry. Mr. Fry deserves much credit in getting up these sociables, and should receive the patronage of those who take an interest in these pleasant moonlight excursions on our beautiful basin. The music and refreshments furnished by Mr. Fry added greatly to the enjoyment of the evening, and the dancing was kept up until a late hour.

☞ LAST week we noticed several teams hauling lime, which was spread around the basin, below the railroad, and in the alleys of the town. This is a commendable move on the part of our Borough authorities, and, in view of the approach of the cholera to the interior of the State, we hope they will continue this very important sanitary measure until our streets and alleys are thoroughly purified. It would also greatly benefit the Borough if the High Constable were to enforce several ordinances in regard to nuisances, which are to be found in a great many of the streets and alleys, and which he is required to inspect once a week by the Borough Council.

☞ NOTICE TO U. S. TAX-PAYERS.—Charles H. Shriner, Esq., collector of internal revenue for this district, gives notice in another column that taxes on the annual list, 1866, (incomes, carriages, &c.,) are now due and payable. He will visit Sunbury for the purpose of collecting, on Wednesday, Aug. 29th, at the office of P. M. Shindel, Esq.; in Georgetown, on Thursday, August 30th; in Shamokin, on Friday, August 31st.

Amos T. Bisel, Deputy, will collect at his office in Turbutville, on Tuesday, August 21st; in Milton, on Wednesday, August 22d; in Northumberland, at Vandyke's hotel, on Tuesday, August 28d.

☞ PIC-NIC ON BIRD'S ISLAND.—Our neighbors of Northumberland held a grand pic-nic on Bird's Island on Thursday of last week. We learn that it was the largest party ever held on the island, and was attended by most of the prominent citizens of that place. A platform was erected for the purpose of dancing, and the younger portion of the party engaged in cotillions, waltzes, &c., the services of Messrs. Eckert and Ulp, two excellent musicians of the place, having been engaged for the occasion.—The cornet band was also in attendance, and enlivened the party by playing several pieces of their superior music.

☞ SHAMOKIN AFFAIRS.—The *Herald*, of last week, says that on Tuesday afternoon Mr. S. G. Savidge, of Shamokin, was assaulted at Locust Gap by a party of Irishmen, and narrowly escaped with his life. It appears that while in his meat wagon, Mr. Savidge was asked by an Irishman for some tobacco, and failing to give it, stating that he had none, the Irishman commenced throwing stones at him. To make him desist, Mr. Savidge was obliged to get out of his wagon, when he was set upon by some fifteen or twenty, who were quickly collected. Fortunately for Mr. Savidge he succeeded in keeping on his feet, and after knocking several of the party down, finally escaped to the main road, where his team had been driven by a friend. Mr. Savidge's injuries, although not of a dangerous character, are painful, he having received several severe cuts on his head.

On Wednesday morning constables Smith and Ditchfield, accompanied by a party from Shamokin, went to Locust Gap to arrest the persons who attacked Mr. Savidge. Thomas Golden and Jack O'Donnel were brought down, and after a hearing before Esquire Caldwell, were committed to jail to answer. Constable Smith's authority being resisted on Saturday, while attempting to arrest one of the gang, he made another trip on Tuesday morning with a sufficient force, and arrested six, but did not secure the one he was after on Saturday, he having left the place. At the hearing Francis Carl and Michael Mullen were committed, and the others discharged. We learn that O'Donnel has been released on bail of $1200.

☞ BASE BALL.—The Enterprise Base Ball Club, of Baltimore, having accepted an invitation to play a friendly game with the Susquehanna club, of this place, arrived here on Friday evening last. They had played at Carlisle on the previous day, and also with the Tyrolean Club, of Harrisburg, on Friday morning. They were beaten by the Harrisburg club in a very close game.

The Baltimoreans, while here, were the guests of the Susquehannas, and were comfortably quartered at the Central Hotel. The game came off on Saturday morning, commencing about eleven o'clock, and terminating about three o'clock in the afternoon.—Quite a number of persons were present, and some fine playing on the part of both clubs was frequently applauded. As will be seen by the score annexed the Susquehannas were again unsuccessful. A different result was hardly expected, the Baltimore club being an old organization, while the Susquehannas have scarcely existed three months.

The Enterprise boys left for home on the 11.45 train on Saturday night, all seeming well pleased with their visit to Sunbury. The following is the score:—

☞ MILTON ITEMS.—The *Miltonian*, of last week, furnishes us with the following chapter of accidents in that vicinity:

On Thursday morning, the 12th inst., a young man from this borough, by the name of Hoppler, a brakesman on the Catawissa Railroad, was killed on his first trip by jumping from a freight train near Catawissa, while going at a considerable speed.

On Monday last, William Frymire, residing near Pottsgrove, committed suicide by leaping into a well while laboring under the dilirium caused by fever. The shock so affected his mother-in-law, who was attending him, that she died the same afternoon, from paralysis.

About noon on Monday the worthy citizens of our village were roused from their dinner tables by the cry of fire. A few minutes run brought the spectators to the farm of Moses Chamberlin, above town, where the devouring element was seen in full headway, reducing to ashes the barn, with its mows groaning under the load of newly stowed grain and hay. The loss will doubtless reach three thousand dollars. Whether the property was insured or not we have not been able to learn. Mr. Frantz saved all his stock with the exception of one or two shoats, but lost nearly if not quite all his machinery and farming implements.

On the same afternoon John Buoy, a lad of fourteen, employed at the Milton Car Factory, received a severe injury from the falling of a door, which struck him in the side, inflicting serious bruises.

On Tuesday morning the many friends of William H. Follmer, of Watsontown, son of Col. Daniel Follmer, of this place, were saddened by the intelligence that he was drowned in the basin at Watsontown. It appears that he had ridden his horse into the water to wash him, and by some means became unseated; being a good swimmer, he saw his horse make for shore and then himself swam to the bank where one of his children was standing, but hearing his other boy crying to him from the opposite side, he turned back and had arrived within six feet of the shore when he suddenly sank. Physicians say that he must have been paralyzed by a sun stroke.

☞ THE corner stone of the Lutheran and German Reformed church, of Watsontown, was laid on last Saturday week, with appropriate ceremonies. Notwithstanding the extreme heat of the weather the attendance was large, numbering not less than six hundred persons.

☞ THE NEW BELL, presented by Gen. Cameron, was hung in the tower of the new Court House, on Saturday last. The tone of the bell is clear, full and deep. It is one of Meneely's best. It weighs 1024 pounds, and cost, with the mountings, $510.80. It is a handsome and appropriate gift, and is properly appreciated as such.

☞ LECTURE.—The Rev. J. W. Langley, pastor of the M. E. Church, of Covington, Ky., delivered a lecture in the Methodist Church, in this place, on Thursday evening last. Subject—"Freedom's Martyr." The lecture was very interesting, and was listened to with marked attention by the large audience assembled. Tickets were issued at twenty-five cents each, and the proceeds given to the Ladies' Mite Society, of this place.

☞ CHURCH JUBILEE.—A jubilee will be held at Jacob's Church, generally called the 'Brick Church,' near Reed's Station, in this county, on Saturday next, to celebrate the fiftieth anniversary of the dedication of the church. Services will be held at 10 o'clock, A. M., and at 8 o'clock in the evening.—Rev. M. J. Alteman, of Hanover, and Rev. P. Williard, of Reading, former pastors of the church, will be present and preach on the occasion. The public are respectfully invited to attend.

☞ LAMP EXPLOSION AT SHAMOKIN.—On Thursday evening week last, in Shamokin, an alarm of fire was occasioned by the explosion of a coal oil lamp in Mr. Valentine Fagely's residence. The flames were extinguished before any serious damage was done.

BUSINESS NOTICES.

☞ CHOLERA PREVENTIVE AND CURE.—Dr. Hamlin's celebrated medicine for the cure of Cholera, Diarrhœa and Dysentery, which should be kept in every family, is prepared and for sale by
W. A. BENNETT, Druggist, Market street.

☞ DON'T WASTE YOUR TIME this hot weather in bargaining over a suit of clothes for a half an hour, but go to John E. Smick's fashionable tailoring establishment, on Fourth street, where you can procure suits of the best material, at the very lowest prices.

☞ PRESENTS.—A first class photograph is one of the most appropriate and acceptable presents that can be given. We therefore advise our friends to call at Byerly's Gallery, in Simpson's building, Market street, and get their photographs taken.—Call and see his specimens.

☞ THE SEAT OF WAR.—All are now anxiously looking for the latest news from the seat of war in Germany. The conflict has commenced in earnest, and it is hard to tell where it will end. But if a man looks all around for the cheapest and best ready made clothing, it is an easy matter to tell where his search will end—of course, at the Continental Clothing Bazaar, corner of Market and Third streets.

☞ THE ladies of New York have introduced "crutches"—invisible affairs—worn for the purpose of keeping their shoulders well up. The top of the crutch fits under the arm, whilst the piece of steel which forms the body of the crutch is firmly fixed in a convenient receptacle located in a certain portion of a lady's attire, which we will suppose that a new kind of "stay" law forbids mentioning. Gentlemen who buy the elegantly fitting coats made by Mr. Jacob O. Beck, 4th street, between Market and Chesnut, have no use whatever for this new invention, for Beck's coats "keep well up to the shoulders" without the aid of the invisible "crutch."

☞ Mrs. Lucretia Mott, the celebrated Quaker preacheress, in a recent Sunday lecture, said the time was fast approaching for women to ask higher recognition of their powers in all the various relations of life. She thought there ought to be more equality in the marriage relation; that women ought not to be required to promise to "obey." If the stong-minded old lady ever visits this place she will, no doubt, demand a higher recognition of the superior qualities of the boots and shoes disposed of at Wm. H. Miller's Excelsior Boot and Shoe Store, Market street.

MARRIAGES.

In Milton, on Thursday evening, 19th inst., at the residence of the bride's parents, by the Rev. J. W. Langley, Mr. W. H. H. DIEFFENBAUCH, of Sunbury, to Miss ANNIE SWENK, of Milton.

BALTIMORE
LOCK HOSPITAL.
ESTABLISHED AS A REFUGE FROM QUACKERY.

THE ONLY PLACE WHERE A CURE CAN BE OBTAINED.

DR. JOHNSTON has discovered the most Certain, Speedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, Genital Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstaty the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death.
