13 BASE BALL AT MILTON .--- The Pastime Club of Turbutville, played a game with the Hand-in-Hand Club, of Milton, at the latter place, on Wednesday of last week, and were victorious in a score of 47 to 25. The Turbutville Club has proven itself to be one of the best organizations of the kind in that vicinity, having beaten several clubs recently. They are said to be well practised, and do fine playing.

THE Milton Car Factory at present has a contract for building fifty oil cars for the Empire Transportation Company, of which they are required to finish six a week, besides filling a contract for the Philadelphia & Erie Railroad. This certainly exhibits enterprise on the part of the proprietors of the establishment.

Gov. Pollock AND "My Polley."-The Miltonian, of last week, in speaking of a recent visit of ex-Governor Pollock to that place, where he had been spending several days, enjoying the country air, says, "We have it from good authority that when the Randall circular was presented to him for endorsement, he drew a pen over the different interrogatories and sent it back to the President's tool-Randoll !

THE CONTINENTAL VOCALISTS ARE NOW PEhearsing at Northumberland, preparatory to their fall tour. They expect to give a concert in this place in a few weeks.

PERSONAL .- Major A. Lee, of the 24 U. S. Infantry, is now paying a visit to his native place, Northumberland, after an absence of nearly thirty years. The Major received soveral wounds during the rebellion, and has been brevetted a Lieutenant Colonel for gallant services in the field.

IP' SHERIFF'S SALES .- We call attention to the list of sales advertised by Sheriff Weaver in another column. The sales will take place on Monday, 24th of September.

John J. Berger, of Danville, has been engaged as an assistant teacher in the Sunbury Classical Institute. Mr. Berger is a young man of considerable talent, and is a graduate of the Danville Institute.

Daniel Rohrer, Esq., of McKees' & Falls, has been appointed Deputy Collector of U.S. Internal Revenue for Snyder county, in place of F. Mertz, recently deceased.

THE CONCERT.-Our citizens should not forget concert to be given in the old Court House this (Friday) evening, and also on Saturday evening. for the benefit of the Soldiers' Monument Fund of Co. "C." 47th Pa. Veteran Volunteers. The performers are all well known in this place, and have on several occasions given entertainments which were highly your present income, you are unable to make such appreciated. The object for which the concert is given is commendable, and the house should be bereavement when left without you and without crowded on both evenings. Tickets, 25 cents; re- your income ? served seats, 50 cents.

DAN CASTELLO'S GREAT SHOW .-- Mr. Dan Castollo, who is rapidly sequiring the reputation of being the leading abowman of America, will visit funbury on Wednesday, the 12th of September.--Prom what we can learn from our exchanges this establishment is one of uncommon sperit and attrac-tiveness, far superior to any of those that have pro-coded R. Mr. Castello is personally a very clever (in an English sense) person, playing clown in a truly delectable style. His stories are fresh, pithy, and telling-that sort of recherche anecdotes that and tering-instant of recorrect affectors that intelligent people loys to listen to, and that apprecia-tive persons can laugh at. He has better trained borses than have ever been brought into the arens. The Russian horse "Can?" is admitted by all judges to be the most beautiful, docile and intelligent equine

ever suen. Mr. C. is also a wonderful leaper, throw-

ing, during the *batonite* leaps, a flying straight som-crmult over a hord of ten horses. Of the performances of Herr Longel and the lions, we must refer to the bills. In regard to the compa-ny, we shall recommend the same thing. The street parade deserves more of an extended notice. A number of knights, clad in real steel armor, ladies in regal costumes, a superb cornet band, Queen Anne's Carriage of State, (the real thing.) the Golden Car of the Muses, the Zouaves, the colossal Hon den, and the array of blooded horses, ponies and mules, will constitute the pageant that will move through the streets of Sunbury on Wednesday morning, I instant.

IP BASE BALL .- A match game between the M'Laughlin Club, of Lewisburg, and the Susquehanna Club, of this place, was played on the groun of the latter, on Thursday of last week, in which the latter were beaten by 3 runs. The following is the score

Scorbutic disenses are the parent stock from which arises a large proportion of the fatal maladies that afflict mankind. They are as it were a species of potato rot in the human constitution, which undermines and corrupts all the sources of its vitality and hastens its decay. They are the germ from which spring Consumption, Rheumatism, Heart Disease, Liver Complaints, and Eruptive Diseases, which will be recognized as among those most fatal and destructive to

the races of men. So dreadful are its con. sequences to human life, that it is hardly possible to over estimate the importance of an actual, reliable remedy, that can sweep out this Scrofulous contamination. We know then we shall proclaim welcome news to our readers of one from such a quarter as

will leave little doubt of its efficacy-and still more welcome, when we tell them that it surely does accomplish the end desired. We mean AVER's "Sarsaparilla," and it is certainly worthy the attention of those who are afflicted with Scrofula or Scrofulous complaints .- [Register, Albany, N. Y.

LUXURY HAS ITS GREAT STAPLES .- Phalon's "Night-Blooming Cereus" is one of them. It is as saleable as bread-as current as coin. Fashionable society endorses it. The people approve it. It has no equal, and, save the charlatans who try in vain to imitate it, no enemies. Sold everywhere.

AN AGREEABLE PRESENT .--- We were surprised the other day by a very acceptable present of a bottle of excellent and luscious wine from Mr. A. Speer, of New Jersey. On first tasting it we believed we were imbibing some choice old Port, not dreaming that a wine so rare and delicious could be raised in this country. For our part, we shall drink no more foreign wines while America pro-

.... GOOD FOR NORTHENBERLAND. - A Club, com posed of persons who are favorable to the election of Maj. Gen. GEANY, the Union candidate for Governor, was organized in Northumberland on Friday evening last. Some sixty names were enrolled .-Northumberland promises to do well at the coming election, and we hear gratifying reports of the progress of the cause in that place. We are assured that an increased Union vote will be cast for the gallant GRARY. The following are the officers of the Club :-

President-Capt. James D. Slater. Vice President-Licut. S. W. Marshall, Secretary and Treasruer-Sergt, Jas. C. Wright.

THE NORTHUMBERLAND COUNTY AGRICUL-TURAL EXHIBITION .- The premium list for the thir teenth annual fair of Northumberland county, which will be held at Milton on Wednesday, Thursday and Friday, the 19th, 20th and 21st days of September has been published. If the weather should prove unfavorible on the first day of the fair, it will be postponed until the first pleasant day thereafter and will continue open for three successive days .-The committee of arrangements, who are to see to the erection of the necessary buildings for the fair, are Frederick Wilhelm, Dr. James McCleery and Dr. Thomas Meckley. Gen. D. C. Watson will act as marshal of the fair grounds. The agricultural address will be delivered by S. P. Wolverton, Esq., of Sunbury, on the second day of the fair, at one o'clock, P. M. Among the list of judges appointed we see the names of quite a number from this place and immediate vicinity.

SHANOKIN ITEMS .- We take the following items from the "Herald," of last week :- On las Wednesday evening a spark from a passing locomo. tive set discovered before the flames had gained any headway, and was promptly put out. We are glad that we were thus saved from a fire that would have been not only a serious loss to the proprietor, but to the community, as his shops are filled with patterns of the various kinds of machinery in this region, that could not be replaced in years.

"Notwithstanding the high price of material an labor, the number of houses being built and repaired this sesson is very great. We are glad to see, too, that a greater degree of taste is manifested in the outside appearance of some of the dwellings, though many are put up in the old style, without a single effort to make them peat, attractive, or convenient. We are also pained to see so much indifference to painting and whitewashing; fences and outbuildings in so many instances look as if they had no owner. This black, dingy, and unpainted look de-tracts much from the character of the town in the eyes of strangers. A number of substantial brick

tracts much from the character of the town in the eyes of strangers. A number of substantial brick edifices are in course of crection. These will cor-tainly set a good example, and add greatly to the appearances of the streets. "We were shown, a few days ago, by Dr. E. E. Robbins, a bullet that had been fired into his house by a party of young fellows whe were coolly practi-eing mark on the flat, just below his house, and right in the centre of the Borough limits. The ball pased through the window, came within an inch or ze of his wite's face, and struck the marble top of a table with so much force as to greatly fatten it. Such practices are not only in violation of all inw, but thow wanton carelesmess that is most shameful." show wanton carelessness that is most shameful."

To CLAIM AGENTS .- Blanks for the collection of "Claims of Private Soldiers and Non-Commissioned Officers," under the late Act of Congress, tled to receive, upon being mustered out of service, equalizing bounties, have been printed and are now three months' pay proper, according to an act of for sale at the AMERICAN office. We keep on hand a full supply of all kinds of military blanks, which Robrisch, Attorney at Law, solicits the collection we sell very cheap. They are copied from blanks of these claims, and having the necessary blanks for prepared in the Departments at Washington, and tance will receive prompt attention.

IF THE health of Sunbury and vicinity has been very good the past summer, when compared with mme previous seasons. Many reasons have been assigned as the cause, the most important one of which is that Wm. II. Miller, of the Excelsior Boot and Shoe Store, Market street, sold boots and shoes of the best quality so cheap that everybody bought and wore them, thereby preserving their health. A full assortment, of the same kind of material, is constantly kept on hand at Miller's.

L'P" MENCKE & BRO., 804 Arch Street. Philadel phia, dealers in Berlin Zephyrs, Domestic Zephyrs, etc., etc., offer great inducements to the trade. Read their advertisement in this issue

BYERLY'S PROTOGRAPHS .- If any of readers should desire to see a splendid collection of pictures, they should go to Byerly's Gallery, in Simpson's building, Market street. His specimens are all taken by himself, and he is ready at any time to produce their equal for all who may desire u excellent likeness.

Going to Run.-A young lad recently ran way from home and went to a tavern, where he was found by a friend, with a cigar in his mouth .-"What made you leave home ?" said his friend. "Oh, confound it," said he, "father and mother were so snucy, I couldn't stand it sny longer, and I quit om " The lad would not have left home if his parents had supplied him with a suit of new clothes from those beautiful patterns of Cassimeres and other goods, for men and boys' wear, and which are made up into suits at the tailoring establishment of John E. Smick, on Fourth street.

On ! how pleasing it is for people to know that at the Continental Clothing Bazaar, Market street, Sunbury, Ready-Made Clothing of every description is sold at prices that surprise and asto ost fasture. All are invited to call and see for themselves.

IF LEFT FOR CAUSE.- A young, buxom, beautiful and sensible wife-but recently married-very promptly left the bed and board of her liege bord and master, upon learning that his wedding suit was not purchased at the fashionable tailoring establish ment of Jacob O. Beak, on Fourth street, in this place. She thought there was some deficiency in the fellow's "get up" all the time, and now wonder that she was so stupid as not to find out the difficulty before. Young men who contemplate matriman will doubtless take the hint.
