At least 1990 persons from Union county alone were in attendance. Besides the large number present from that county, there were delegations from Sunbury, Northumberland, Chilisquaque, and other places in Northumberland county. The delegation from this place chartered the steamer "Ira T. Clement" for the occasion, and stopped at Northum-beriand and took on board a large number of Uniontwo piaces. The meeting was organized by calling Dr. Rooke to the chair, and appointing a large number of Vinc Presidents and Scoretaries. Able addresses were delivered by J. H. Wright, Esq., the Union nominee for Assembly in Sayder county, and Clinton Lloyd, Esq., of Williamsport, who was, until the commencement of the rebellion of the pre-slavery Democracy, a prominent member of that party, but now a staunch Republican. His address on the cocasion was able and eloquent, and in the course of his remarks was frequently applicated. The meeting adjourned about half past 10 o'clock, with deafening cheers for the gallant Gen Grany and the whole Union ticket.—

THE MANDRAKE PILLS

are composed entirely of roots and herbs, obtained from
the great storeloonse of Nature, and their salutary effects
with appear as soon as the medicine is brought to the test
of a fair experiment. SCHENCK'S MANDRAKE PILLS
do not produce any mansos or sickness of the stormach;
but when given for Dyspepsin, it may be proper to use
them in connection with SCHENCK'S SEAWEED
TONIC. By this indicious treatment the digestive faculties are speedely restored to their full vigor, and the worst
cases of indigestion may be cared.

When we reflect that the liver is the largest internal
organ of the body, that to it is assigned the imperiant
duty of filtering the blood and preparing the blie, that it
is subject to many disorders, and that when it is diseased
or inactive the whole body suffers sympathetically, it is
not surprising that a medicine which can restore the
healthy operations of the Liver should produce wonderful
changes in the general health, and effect cares which may
appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders,
sching of the limbs, a feeling of general waskness and
wretcheduress, and other alaraning and distressing symptoms, indicative of imperfect or disordered action of the
liver, are speedily temoved by the use of SCHENCK'S
MANDRAKE FILLS.

I continued your Pills and Tonic for some time, and now think God for his goodness, and your valuable medicine, I am once more restored to perfect health. I most extractly recommend those who are suffering from infection of the liver to give your Pills and Tonica fair trial, and a cure will be effected. I have sent many persons to you, and they have all been cared. THE MANDRAKE PILLS

Contiveness, piles, bitter or sour eractions, and that indescribable feeling of oppression, mental auxiety, languer, lethorgy, and depression of spirits which unit a man for the management of business and the enlyment of sife, are all relieved by the use of SCHENCK'S MAN-DRAKE PILLS. of life, are all releved by the use of SCHENCK'S MANDRAKE PILLS.

Da SCHENCE — Dear Sit; I take pleasure in sending you
a certificate in addition to many you have already received from suffering humanity. I can scarcely find longuage sufficiently strong to express my heartiest gratification of the wooderfal cures your MANDRAKE PILLS
and SEAWEED TONIC have effected in the citize cure
of one of the most stabborn cases of the affection of the
liver. For three years I suffered beyond description;
all my friends, as well as myself, came to the conclusion
that my time in this life was short. Such was the terrible
condition to which I was reduced that life to me had beceme a barthen; my whole system was in a state of inflammation; I could not eat, I could not sleep; my whole
body was filled with pam; aweling would arise in my
wrists and ankles, rendering them totally necless. On sevetal occasions I was attacked with a rush of blod to the
heart, which would fell me to the ground, and I would be
carried away for dead. I applied to saveral eminent
physicians of our city, who administered all the medicines
that they thought would reach my cuse, but of no avail.

One of them said he could do no more for me, and advised me, as a last resort, to drake old liver oit. Not
relighing the horrid trash I declared to take it. Accident
put your advertisement is my hands. I called on you;
you examined me and told me the nature of my disease.
Von then ordered me the Pilis and Tonice with an observance of diet, paciging your word that in one week I
would find me and conduction.
